Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, **($210.)**

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre suppléant de l'Intérieur représente, le 5 septembre 1912, que M. Andrew Good a demandé un permis de couper des traverses de chemin de fer, des étançons de galeries de mine et du bois de chauffage dans le quart nord-est de la section 11, township 8, rang 6, à l'ouest du 5e méridien, situé dans la réserve forestière des Montagnes Rocheuses. On croyait lors de la demande que le terrain ci-dessus faisait partie des terres réservées au fonds des écoles, et le requérant fut avisé qu'un permis lui serait accordé d'après les règlements ordinaires régissant la vente du bois sur les terres fédérales. Mais il fut plus tard constaté que ce terrain ne faisait pas partie des terres scolaires, et l'autorisation d'accorder le permis fut nécessairement retirée.

Le Ministre ajoute qu'il a fait faire un examen du bois ci-dessus mentionné et qu'il constate que le feu en a tué ce qui donnerait approximativement 5,000 traverses de chemin de fer, 70,000 pieds linéaires d'étançons de mine et 200 cordes de bois de chauffage, et que ce bois devrait être abattu sans délai afin de pouvoir être utilisé avantageusement.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (*b*) de l'article 17 de la *Loi des réserves forestières fédérales* sanctionnée le 19 mai 1911, il soit autorisé à accorder un permis au dit Andrew Good de couper le bois sur le quart de section susdit sur paiement des droits conformément aux règlements régissant l'octroi de licences et de permis annuels de coupe de bois sur les terres fédérales, règlements approuvés par arrêté en conseil du 1er juillet 1898 et des arrêtés subséquents. La coupe sera sujette aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.

Le Ministre de l'Intérieur représente, le 15 octobre 1912, que M. W. E. Bailey, qui s'est inscrit le 26 septembre 1910, pour le homestead comprenant le quart nord-est de la section 18, township 32, rang 7, à l'ouest du 2e méridien, a souffert de blessures qui ont nécessité l'amputation près du corps de sa jambe gauche. Des certificats médicaux témoignant de ce fait, déposés au Ministère, déclarent qu'il serait extrêmement dangereux pour M. Bailey de demeurer sur son homestead.

Le Ministre ajoute que M. Bailey a résidé sur son homestead du mois de mai 1910 au mois de mai 1912, sauf le temps qu'il a passé à l'hôpital au cours de l'année 1911, et y a érigé une maison et une étable.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 2e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre suppléant de l'Intérieur fait rapport, le 16 septembre 1912, qu'en vertu des dispositions de la loi provinciale concernant le drainage et l'endiguement les propriétaires fonciers du district de Chilliwack-Sumas, par des pétitions publiées dans la *British Columbia Gazette* le 29 novembre 1906 et le 28 septembre 1905, ont élu un bureau de commissaires pour diriger le travail d'endiguement et de drainage dans le district de Chilliwack-Sumas dans la province de la Colombie-Britannique. Ces commissaires sont autorisés à faire, soit directement soit en les donnant à l'entreprise, des travaux de drainage et d'endiguement pour la protection et le desséchement du terrain mentionné dans les pétitions par lesquelles ils ont été élus. L'argent nécessaire à ces travaux doit être prélevé conformément à la dite loi au moyen d'une taxe prélevée sur les terres concernées. Le district de drainage et d'endiguement de Chilliwack-Sumas couvre une superficie d'environ 30,000 acres, comprenant à peu près les terres inondées par les eaux du lac Sumas ; ce district est situé dans la zone des chemins de fer, du côté sud de la rivière Fraser, quarante milles à l'est de Vancouver, et contient 12,120 acres de terres fédérales, y compris quelques 9000 acres du lit du lac Sumas.

Le Ministre ajoute ce qui suit :

Les commissaires ont demandé qu'il soit fait une convention entre le Ministre de l'Intérieur et eux-mêmes leur transférant les terres fédérales submergées dans le lac Sumas et autour de ce lac, comprenant approximativement 12,120 acres, lorsqu'ils auront réussi à mettre à exécution leur plan de dessèchement.

Les commissaires ont intéressé au projet la Compagnie L. M. Rice, à responsabilité limitée, compagnie constituée en corporation en vertu des statuts de l'État de Washington et enregistrée pour exercer dans la province de la Colombie-Britannique, et ont passé avec cette compagnie une convention pour l'exécution de certains travaux d'endiguement à la condition que le Ministre de l'Intérieur convienne avec les commissaires de leur transférer les terres fédérales submergées susdites dans le lac Sumas et autour de ce lac quand ils auront réussi à le dessécher.

Des plans, devis, etc., des travaux de dessèchement projetés ont été déposés au Ministère de l'Intérieur, ainsi qu'une copie de la convention entre les commissaires et la Compagnie L. M. Rice, à responsabilité limitée.

Les terres demandées ont été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que les terres fédérales du et autour du lac Sumas ne sont actuellement d'aucune utilité et ne conviennent pas à la colonisation telle que prévue par la loi des terres fédérales à cause de l'inondation continuelle de près de 9,000 acres du lit du lac Sumas et de l'inondation périodique d'environ 2,000 acres chaque été à l'époque des crues des rivières Fraser et Chilliwack. Outre les dites terres fédérales, il y a qui les avoisinent et les entourent 20,000 acres de terre appartenant à des particuliers et qui sont exposés aux inondations régulières ou périodiques à l'époque des crues, et dont la productivité est de ce fait grandement diminuée. Le dessèchement de ces terres fédérales et privées serait d'un grand avantage pour la vallée de la rivière Fraser et la province de la Colombie-Britannique, non seulement à cause de la grande étendue de terres fédérales maintenant inutiles qu'on rendrait ainsi fertiles et productives, mais aussi à cause de l'augmentation de valeur et d'utilité d'une plus grande étendue encore de terres privées dont le danger constant d'inondation diminue la productivité. Depuis plusieurs années des ingénieurs éminents sont d'avis que le desséchement des terres susdites est possible aux points de vue pratique et économique, le coût total étant d'environ un million de dollars.

En vue de ces faits, le Ministre demande l'autorisation de consentir à une convention avec le Bureau des commissaires du district de drainage et d'endiguement de Chilliwack-Sumas leur transférant les terres inondées du lac Sumas et des environs, conformément au tableau annexé, aux conditions suivantes :

1. Les terres demandées seront parfaitement desséchées et rendues propres à l'exploitation agricole dans quatre ans de la date de la convention.

2. Les lettres patentes d'aucune de ces terres ne seront accordées avant que le Ministre de l'Intérieur ait constaté, par un rapport d'un ingénieur du Ministère, que toutes ces terres fédérales qui peuvent être desséchées l'ont bien été et sont propres à l'exploitation agricole, et que les travaux de desséchement ont résisté aux crues de l'été qui a suivi l'achèvement des travaux d'endiguement.

3. Au parachèvement des travaux d'endiguement les terres susdites seront vendues aux Commissaires au prix nominal d'un dollar.

4. Le Ministère n'assume aucune responsabilité quant à la manière et la méthode de desséchement, la prévoyance ou l'imprévoyance de la convention entre les commissaires et la Compagnie L. M. Rice, ou quant à la bonne inspection au cours des travaux, se réservant seulement le droit de décider si oui ou non les travaux de desséchement ont été parachevés avec succès.

Le comité soumet cette demande pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 23 septembre 1912, qu'en vue de la demande des terres scolaires dans cette localité et de l'état favorable de la récolte, il est d'avis qu'il serait de l'intérêt public d'offrir en vente à l'enchère publique les terres scolaires suivantes dans la province d'Alberta, savoir :

Section 29, township 20, rang 5, à l'ouest du 4e M.
" 29, " 20, " 5, "

" 29, " 21, " 5, "
" 29, " 21, " 6, "

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique, à Medicine-Hat, au cours de cet automne et à une date qui sera déterminée dès après l'évaluation, les terres ci-dessus mentionnées.

La mise à prix sera déterminée par l'évaluation et les conditions de la vente seront conformes aux dispositions de la *Loi des terres fédérales* concernant la vente des terres scolaires.

Samedi, le 28e jour de septembre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 8 juillet 1912, que M. John Henderson a demandé la permission d'acquérir le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manquait à son titre au lot n° 39 dans la paroisse de Kildonan, province de Manitoba.

Le Ministre représente que la preuve a été établie que la réclamation de M. Henderson en vertu de la Loi du Manitoba, réclamation qui est maintenant représentée par le dit lot, n'a pas été réglée par la concession du terrain de cent acres complets acquis de la Compagnie de la Baie d'Hudson, l'étendue du dit lot n'étant que de 79 acres soit 21 acres en moins.

Le Ministre représente que comme il n'y a dans le voisinage de la dite paroisse aucun terrain qui pourrait être donné en compensation, M. Henderson a demandé que le dit quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, lui soit concédé au lieu de ces 21 acres, la différence entre cette étendue de terrain et un quart de section des terres fédérales (160 acres) étant équitablement représentée par l'augmentation en valeur des lots de la paroisse de Kildonan, voisine de la ville de Winnipeg.

Le Ministre étant d'avis que la demande devrait être accordée, il demande l'autorisation de concéder gratuitement à M. Henderson le quart sud-est de la section 27, township 22, rang 2, à l'est du méridien principal, en compensation pour ce qui manque à son titre au lot n° 39, dans la paroisse de Kildonan, province de Manitoba.

Le comité soumet cette demande pour approbation.

2. Des bureaux d'armement ont été établis comme suit : —

Station.	*Officier en charge.*	*Unités intéressées.*
Halifax, N.-E.	O.C.A.R.C.	6e division et forteresse d'Halifax.
Québec, P.Q.	O.C.A.R.C.	4e et 5e divisions et forteresse de Québec.
Kingston, Ont.	O.C.G.A.R.C.	1re, 2e et 3e divisions et district militaire No. 10.
Esquimalt, C.B.	O.C.A.R.C.	Districts militaires nos. 11 et 13, et forteresse d'Esquimalt.

La correspondance sera adressée "A l'Officier en charge du Bureau d'Armement (*nom de la station*).

Les susdits bureaux d'armement ont été établis dans le but d'aider à toutes les unités d'artillerie intéressées de maintenir l'équipement d'artillerie ; les comptes d'artillerie, savoir : l'ordonnancement des réquisitions, les rentrées, et les sorties ; de fournir tous les renseignements au sujet du soin et de la conservation des canons et de l'équipement ; et d'exécuter les instructions données dans les Règlements concernant l'Equipement.

Toutes matières qui sembleraient nécessiter une autorisation spéciale, devront également être soumises au Bureau d'Armement, et si la chose est nécessaire, renvoyées au quartier général pour décision. Autrement, toutes les questions relatives à l'équipement d'artillerie devront être décidées entre l'officier commandant de l'unité, le Bureau d'Armement et le plus ancien officier de l'artillerie intéressés.

GRANDS-LIVRES D'ARTILLERIE.

2*a*. Le Bureau d'Armement tiendra une copie de tous les grands-livres d'artillerie non permanente. Les unités permanentes tiendront leur propre duplicata du grand-livre. Ces copies ne seront transmises pour audition que si le comptable et le payeur général le demandent.

Les plus anciens officiers de l'artillerie tiendront des comptes en double de l'habillement de l'artillerie et de l'équipement personnel et les autres comptes pour les unités non permanentes, sauf l'équipement d'artillerie.

Afin que des copies soient gardées par les bureaux d'armement, toute la correspondance et les pièces justificatives touchant les "Rentrées" et les "Sorties" des approvisionnements passeront par les bureaux d'armement ; le canal régulier de communication pour ces matières sera donc l'officier commandant l'unité, l'officier en charge du bureau d'armement, et le plus ancien officier de l'artillerie, ou *vice versa*.

Des copies de toutes pièces justificatives concernant les unités de la Milice Active seront fournies au Bureau d'Armement par les consignateurs. La pièce justificative sur laquelle le consignataire reconnait la rentrée des approvisionnements qui lui sont consignés seront passés par lui à l'officier en charge du Bureau d'Armement afin que ce dernier puisse noter les déficits qui pourraient exister, et ensuite transmettre la pièce justificative au consignateur.

Une liste des livres et formules qui serviront à rendre complète des effets d'habillement et de l'équipement de toutes les unités d'artillerie est donnée dans l'Ordre de Milice No 463, 1912.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of October, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 16th September, 1912, that the Ashcroft Water Electric and Improvement Company, of Ashcroft, B.C., has applied to purchase on irrigation conditions certain lands in Townships 20 and 21, Range 24, west of the Sixth Meridian, comprising an aggregate area of 3010·5 acres, more or less, and being the lands set out in the schedule hereto attached, and to report;

That the company has submitted to the Department of the Interior a comprehensive irrigation and storage project, involving the storage of water in three lakes in provincial territory, north of the railway belt; the said water to be released in to the Bonaparte River and diverted at a point about twelve miles from the confluence of the Bonaparte and Thompson Rivers, and carried in a high line canal to the Dominion lands applied for;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that without the aid of irrigation the lands are valueless; that they have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that they are of an arid class, unsuited for homesteading or for agriculture without irrigation; that the successful development of these lands would be in the best interest of the district and country at large; that the intention of the Ashcroft Water Electric and Improvement Company is to develop these arid lands by a large, modern and feasible irrigation system; and, that the water supply of the Bonaparte River seems to be sufficient for the irrigation needs of the said company.

The Minister therefore, recommends that, in view of the above favourable reports, he be authorized to sell the Ashcroft Water Electric and Improvement Company the available portions of the Dominion lands set out in the schedule hereto attached, on the following conditions:—

1. That the price of the land be $1.00 per acre; a first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre to be payable upon the completion of the irrigation scheme as set out in paragraphs "5" and "6" hereunder.
2. That the Company shall obtain from the British Columbia Authorities the necessary water rights for the said lands.
3. That the use, diversion and storing of water; the construction and maintenance of all irrigation works, dams, intakes, flumes, ditches, etc., shall be in accordance with the provisions of the British Columbia Water Act, 1909.
4. That the company shall construct an adequate and satisfactory irrigation system for the lands applied for, from the Bonaparte River, within three years.
5. That 50% of the irrigable portions of the said lands shall be irrigated and cultivated within three years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
6. That all the remaining irrigable portions of the said lands shall be irrigated and cultivated within five years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
7. That no patent shall issue for any of the lands except upon their successful irrigation and cultivation, to the satisfaction of the Minister of the Interior.
8. That the company's interest in the said Dominion lands shall not be transferred except with the knowledge and consent of the Minister of the Interior.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS numerous applications have been received for the leasing of School Lands for fire-clay purposes, and the Minister of the Interior is of the opinion that it would be in the public interest, as well as in that of the School Lands Endowment, to issue leases of School Lands for the purpose mentioned,—

The Governor General in Council is pleased to order as follows :—

Leases of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta, for the purpose of extracting fire-clay therefrom, may be issued under and in accordance with the following Regulations :

REGULATIONS for the leasing and administration of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta for the purpose of extracting Fire-clay therefrom.

'Minister' shall mean the Minister of the Interior.

'Fire-clay location' shall mean a tract of School Lands containing fire-clay.

'Year' shall mean a period of twelve calendar months.

'School Lands' shall mean Sections 11 and 29, or lands that have been selected and set apart in lieu of either of these sections under the provisions of The Dominion Lands Act.

1. School Lands containing fire-clay in the Provinces of Manitoba, Saskatchewan and Alberta may be leased by the Minister at an annual rental of $1.00 per acre, payable yearly in advance, for the purpose of extracting fire-clay therefrom.

Provided that no lease for a fire-clay location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by the lease, or any exclusive right or interest or other property in, or any exclusive right or privilege with respect to any lake, river, spring, stream or other body of water within or bordering on or passing through the land covered by the lease ;

And provided further that these Regulations shall not apply to School Lands comprised within an incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

2. The term of the lease shall be twenty-one years, renewable for a further period of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the terms of such lease, and with the provisions and regulations regarding the disposal and operation of fire-clay locations, which may have been made from time to time by the Governor in Council.

3. The maximum area of a fire-clay location shall be 40 acres, more or less, and no person shall be allowed to locate more than one location.

Provided that a person who has been granted a lease of a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, be permitted to make another location.

Provided further that such right of re-location shall not be granted unless all payments on account of rent, or other liability to the Department, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

4. The location applied for shall consist of a legal subdivision, or part of a legal subdivision :

Provided that parts of two adjoining legal subdivisions may be included in a fire-clay location, but the whole area shall not exceed one-half mile in its greatest dimension, nor shall the length exceed twice the breadth.

5. Application for a location shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the location is situated.

The application shall contain a full description by legal subdivision, section, township, range and meridian, of the land applied for and shall be accompanied by a declaration from the applicant to the effect that the land comprised within the location contains fire-clay in merchantable quantities.

6. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister of the Interior to do so, and shall take out or remove from such location the quantity of fire-clay specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of fire-clay which the lessee is required to extract from such location, which quantity may be increased from time to time upon thirty days notice to that effect being given to the lessee.

In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not taken out during each year, the lease shall be subject to cancellation in the discretion of the Minister.

7. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

8. The boundaries beneath the surface of fire-clay locations shall be the vertical planes or lines in which their surface boundaries lie.

9. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

10. A fee of $5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

11. The applicant shall be given a period of thirty days from the date of the receipt of his application within which to pay to the agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar ($1.00) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued, and shall bear date from the day upon which the application was received by the agent.

If the rental is not paid within the time specified, the application shall absolutely lapse, and the right applied for shall become available for other disposition.

12. If during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar ($1.00) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to

the immediate forfeiture of all rights granted thereunder.

13. A person operating a fire-clay location shall furnish the agent of Dominion Lands for the district in which the location is situated, with sworn returns every six months, or at such times as the Minister may direct, of the quantity of fire-clay taken from the location.

14. Every lessee of fire-clay rights which are not being operated shall furnish the agent of Dominion Lands with a sworn statement to that effect at least once in each year.

15 In case the surface rights of a fire-clay location are covered by a timber license, grazing permit, petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon except the permission of the Minister is first had and obtained and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

16. In case the mineral rights in any land comprised within a fire-clay location are found to have been disposed of by the Crown and the lessee of such mineral rights cannot make any arrangement with the lessee of the fire-clay location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration.

Upon receiving such permission in writing, it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the fire-clay location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the fire-clay location, owner or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the agent of Dominion lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such lessee of the fire-clay location, or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served, by leaving it at, or sending it by registered mail to the last known place of abode of the lessee of the fire-clay location, agent or occupant, and by posting a copy in the office of the agent of Dominion lands for the district in which the land is situated. Such notice shall be served if the lessee of the fire-clay location or his agent resides in the district in which the land is situated, ten days, if out of the district, and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the fire-clay location, or his agent, or occupant, refuses or declines to appoint an arbitrator or when, for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the agent of Dominion lands for the district in which the lands in question lie, shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the fire-clay location, his agent, or occupant, or that such lessee, agent or occupant, wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service and that the notice was left at the last place of abode of such lessee, agent or occupant, appoint an arbitrator on his behalf.

17. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situated, shall forthwith select such third arbitrator.

18. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the fire-clay location or occupant shall be entitled.

19. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

20. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

21. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne by the lessee of the mineral rights.

Thursday, the 17th day of October, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS by a Memorandum of Agreement, bearing date the first day of August, 1908, which is on file in the Department of the Interior, at Ottawa, and which was entered into between the then Minister of the Interior on behalf of the Crown with the provisional directors of "The Alexandra Hospital of Rosthern," it was agreed that so soon as that institution became incorporated the lands hereinafter described would be granted to it for hospital purposes;

And whereas upon the 18th December, 1909, an Act, chapter 50 of the Statutes of the Province of Saskatchewan for that year, came into force, whereby, under the provisions of its first section the then members and future members of "The Alexandra Hospital of Rosthern" became a body politic and corporate, under that name, and under the provisions of its second section that body was authorized to acquire and hold lands for its purposes;

And whereas application has been made by "The Alexandra Hospital of Rosthern" for a grant of these lands the property of the Crown in the right of Canada, which are available for the purposes before mentioned, and may be described as follows, that is to say:—

That part of the North West Quarter of Section thirty-five (35) in township forty-two (42) range three (3) west of the third (3rd) meridian in the district, now the Province of Saskatchewan, in the North West Territories of Canada more particularly described as follows: Commencing at a point on the southerly boundary of the said quarter-section where said southerly boundary intersects the easterly boundary of East Railway Street as said street is shown on a plan of Rosthern registered in the Land Titles Office for the East Saskatchewan Land Registration District as Plan "V"; thence easterly along the southerly boundary of said quarter section one hundred and sixty-five (165), feet three and one-half (3½) inches, thence north easterly parallel with and one hundred (100) feet distant from the easterly boundary of said East Railway street fifty (50) feet, thence north-westerly at right angles to last mentioned course one hundred (100) feet to the easterly boundary of East Railway street, thence south westerly along said easterly boundary, of said East Railway street, one hundred (100) feet, more or less to the place of beginning.

Therefore, the Governor General in Council, in virtue of the provisions of paragraph "(*d*)" of section 76 of The Dominion Lands Act, is pleased to authorize and doth hereby authorize the issue of a grant, by letters patent or otherwise as may be necessary, to The Alexandra Hospital of Rosthern of the lands above described for the purposes mentioned in the Act of Incorporation of that Institution.

Wednesday, the 2nd day of October, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior submits under date 5th September, 1912, that application has been made by Mr. Andrew Good for a permit to cut ties, mine props and cordwood on the Northeast quarter of section 11, township 8, range 6, west of the 5th Meridian, situated in the Rocky Mountains Forest Reserve, that it was considered at the time the application was received that the land was included in the School Lands Endowment, and the applicant was therefore advised that permit would issue in accordance with the usual regulations for the disposal of timber on Dominion Lands, but on its later being decided that the land was not so included, the authority for the issuance of the permit was of necessity withdrawn.

The Minister states that he has caused an examination to be made of the said timber and finds that there are approximately 5,000 ties, 70,000 lineal feet of mine props and 200 cords of fuel-wood which have been killed by fire and should be cut without delay in order to secure its proper and economic utilization.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said Andrew Good to cut the timber on the said quarter section on payment of dues in accordance with the regulations governing the Granting of Yearly Licenses and Permits to cut Timber on Dominion Lands, approved by Order in Council of the 1st July, 1898, and subsequent Orders in Council, the cutting to be done subject to the regulations relating to forest reserves.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date of 16th September, 1912, reports that under the provisions of the Provincial Drainage and Dyking Act the owners of the land in the Chilliwack-Sumas district have by petitions published in the *British Columbia Gazette* on the twenty-ninth day of November, nineteen hundred and six, and twenty-eighth day of September, nineteen hundred and five, elected a Board of Commissioners for the dyking of the Chilliwack-Sumas Drainage and Dyking District of the Province of British Columbia, who are empowered to erect, either directly or by contract, drainage and dyking works for the protection and reclamation of the area included in the petitions by which they were elected; that the money to pay for the work is to be raised pursuant to the said Act, by assessment on the lands benefited; that the Chilliwack-Sumas Drainage and Dyking district covers an area of about 30,000 acres, comprising roughly the lands flooded by the waters of Sumas Lake; that the district is within the Railway Belt, on the south side of the Fraser River, forty miles east of Vancouver; and that within this district there are 12,120 acres of Dominion land, including some 9,000 acres in the bed of Sumas lake.

The Minister also reports as follows:—

That the Commissioners have made application for an agreement between the Minister of the Interior and themselves, looking to the transfer to them of the Dominion overflow lands in and around Sumas lake, containing approximately 12,120 acres, upon the reclamation scheme being successfully completed;

That the Commissioners have interested the L. M. Rice Company, Limited, a Company incorporated under the Statutes of the State of Washington and registered to do business in the Province of British Columbia, and have entered into an agreement with this Company, providing for the construction of certain dyking works conditionally on the Minister of the Interior entering into an agreement with the Commissioners providing for the ultimate transfer of the Dominion overflow lands applied for in and around Sumas lake upon the successful reclamation of same;

That the Department of the Interior has been furnished with plans, specifications, etc., of the proposed scheme of reclamation, also with a copy of the agreement between the Commissioners and the L. M. Rice Company, Limited;

That the lands applied for have been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the Dominion lands in and around Sumas lake are at present useless and unsuited for homesteading under the Dominion Lands Act on account of the perpetual inundation of nearly 9,000 acres in the bed of Sumas lake and the periodical flooding of about 2,000 acres for several months each summer during the high water season of the Fraser and Chilliwack rivers; that in addition to the said Dominion lands there are some 20,000 acres of private lands adjoining and surrounding the said Dominion lands, which private lands are also subject to regular or occasional flooding during the same high water period, and thereby productiveness of the said land is greatly decreased; that the reclamation of these Dominion and private lands would be a great boon to the Fraser valley and the Province of British Columbia not only on account of the large area of now useless Dominion lands that would be rendered fertile and productive, but the enhanced value and usefulness of the still larger area of private lands whose present productiveness is minimized by the constant menace of flooding; and that the best advice of eminent engineers for many years declares that the reclamation of the above lands is practicable from both engineering and economic points of view, the total cost being in the neighbourhood of one million dollars.

The Minister, in view of the above, recommends that he be authorized to enter into an agreement with the Board of Commissioners for the Chilliwack-Sumas Drainage and Dyking District, looking to the transfer of the Dominion overflow lands in and around Sumas lake, as set out in schedule hereto attached, on the following conditions:—

1. That the lands applied for shall be successfully reclaimed and rendered fit for agricultural purposes within four years from the date of the agreement.

2. That no patent for any of the lands shall issue until the Minister of the Interior is satisfied,—through a report by a Department engineer,—that all the said Dominion overflow lands possible of reclamation have been successfully reclaimed and rendered fit for agricultural purposes, and that the reclamation works have withstood the high water of the summer following the completion of the dyking works;

3. Upon the successful completion of the dyking scheme the lands will be sold the Commissioners at the nominal price of One Dollar.

4. That the Department assumes no responsibility for the manner and method of the reclamation; for the providence or improvidence of the agreement between the Commissioners and the L. M. Rice Company, Limited; and no responsibility for the proper inspection of the work during its progress, merely reserving the right to say whether or not the reclamation has been successfully completed.

The Committee submit the foregoing recommendation for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date of 15th October, 1912, that Mr. W. E. Bailey, who made homestead entry for the North East ¼ Section 18, Township 32, Range 7, West of the 2nd Meridian, on the 26th of September, 1910, has received injuries which have necessitated the amputation of his left leg close to the body, medical certificates being filed to that effect, and stating that it will be extremely dangerous for Mr. Bailey to remain on his homestead.

The Minister states that Mr. Bailey was in residence on his homestead from May, 1910, to May, 1912, with the exception of the period he spent in the hospital during 1911, and has erected a house and stable on the land.

The Minister recommends that, under Sub-section 2, Section 20, of The Dominion Lands Act, he be authorized to waive further residence.

AND

THE UNITED SHOE MACHINERY COMPANY OF CANADA.

To the Honourable the Minister of Labour,
Ottawa.

The Board appointed under the provisions of the Combines Investigation Act, following the order of Mr. Justice Cannon, directing an investigation to be held into the United Shoe Machinery Company of Canada, begs to report as follows :—

The first meeting of the Board was held on the 20th day of March, 1911, when the members took the oath required by Section 15 of the Combines Investigation Act before Mr. Justice Demers, one of the judges of the Superior Court, for the Province of Quebec.

At that meeting it was decided to notify counsel and to adjourn until the 21st of March, 1911.

On the latter date the Board re-assembled and Mr. Alex. Falconer, K.C., appeared for the applicants, Mr. T. Chase Casgrain, K.C., with Mr. A. J. Brown, K.C., appeared for the United Shoe Machinery Company of Canada.

Counsel for the Company protested against proceeding and filed a written declaration which is on record, the principal ground of the protest being that an appeal was pending from the order of the Honourable Mr. Justice Cannon of the 25th of February, 1911 ; this appeal was subsequently dismissed by the Court of King's Bench, Appeal side.

The Board after hearing argument of counsel decided to proceed and adjourned until the 29th of March, 1911.

On the 22nd of March, 1911, a writ of prohibition was served upon the various members of the Board and in consequence of this writ the Board assembled on the 29th, but did no work, merely adjourning *sine die* to await the decision of the court. A copy of this writ was at once forwarded to the Department of Labour, and Mr. Aimé Geoffrion, K.C., was appointed by the Department to represent the Board.

Before the Board re-assembled another order had been rendered by Mr. Justice St. Pierre of the 26th of September, suspending all proceedings until the 5th of October, 1911. These proceedings were finally disposed of favourably to the Board's proceeding, and on the 17th day of November, 1911, the Board met for the hearing of witnesses.

The parties were represented by Mr. Falconer, K.C., with whom was associated Mr. C. P. Beaubien, K.C., Mr. Casgrain, K.C., and Mr. Brown, K.C., appearing for the company.

The Board not only heard the evidence of all witnesses offered by the applicants and by the company, but also notified all the shoe manufacturers in Canada that the sittings of the Board were taking place, and for the convenience of witnesses, the Board sat not only in Montreal, but also in Quebec and in Toronto. The Board also expressed its willingness to adjourn to the Lower Provinces, but manufacturers from there appeared at Montreal and no others expressed any desire to be heard.

Mr. R. S. Wright and Mr. Joseph Casgrain were appointed by the Department joint Secretary and official stenographers of the Board.

The witnesses heard before the Board were the following :—

Mr. H. G. Donham, Secretary of the United Shoe Machinery Company, F. W. Knowlton, the Manager of the United Shoe Machinery Company, of Montreal, Ernest Caron, John Ritchie, James Muir, E. Duchesne. P. C. Lachance, C. Blouin, Jos. Daoust, R. Locke, George A. Slater, Oscar Brunet, George A. Fortin, R. C. Holden, G. A. Kieffer, R. Lanthier, W. Smardon, J. I. Chouinard, J. A. Duchaine, A. E. Marois, E. Thivierge, H. Gale, W. A. Marsh, T. Trudel, J. E. Sanson, E. Pion, G. M. Stanley, O. Goulet, G. Stobo, J. A. Langlois, Eugène Trudel, J. A. McPherson, Alex. Brandon, J. S. King, C. B. Hamilton, F. S. Scott, F. W. Weston, G. L. Williams, E. E. Donovan, Charles A. Ahrens, F. Underhill, Donald Invig, N. B. Detweiler, Alex. C. Metcalfe, A. Minister, R. B. Taylor, Luc Routhier, J. B. Drolet, F. W. McKeen, J. T. Tebbutt, Nap. Tetreault, J. A. Coté, G. Poliquin, H. H. Lightford, E. Robinson, J. B. Meyers, H. Moles, J. Linton and Sydney W. Winslow, President of the United Shoe Machinery Company.

107 exhibits were filed during the course of the investigation and are numbered from 1 to 107.

After the examination of the various witnesses was closed, counsel for the parties presented their case, and the argument is reported stenographically and forms part of the record.

In 1893 the company was organized under the laws of the State of New Jersey under the name of the Goodyear Machinery Company of Canada and continued in this country the operations of the Goodyear Shoe Machinery Company, which was an American company.

In 1899 the name was changed to the United Shoe Machinery Company of Canada, under which name the business has since been carried on.

The capital of the company is $225,000, divided into 9,000 shares of a par value of $25.00 each ; the share capital is all owned by the United Shoe Machinery Company, also of New Jersey, except such shares as are required to qualify directors, all of whom form part of the Board of Directors of the United Shoe Machinery Company. The officers of both companies are the same, and there is but one office for both companies, being at Boston in the State of Massachusetts, where the books, registers, leases, patents, and other documents are kept. This company is subsidiary to the America Company and is absolutely under its control. The company has no Canadian charter, but does business under license from the Provinces of Quebec and Ontario.

It is shown that the company can and does avail itself of the inventions and improvements which are made by the American Company, and is enabled to make, in Canada, all expenditures necessary to the carrying on and development of its business.

In 1899 there were several sources from which the manufacturer of boots and shoes could obtain his machinery, amongst these being in addition to the Goodyear Company, the McKay Metallic Fastening Association of Boston, the Champion Nailing Machine Company, the Simplex Company, the Shoe Wire Grip Company of Canada, the McKay-Bigelow Heeling Machine Association, the Consolidated Lasting Machine Company of Boston, the Davey Pegging Machine Company, the Eppler Company, being all American concerns, and Kieffer Brothers of Montreal. Since that time these American companies have either been absorbed by the United Shoe Machinery Company, in the United States, referred to in the evidence as the parent company, or in any event it appears that the United Shoe Machinery Company of Canada to-day controls the supply in Canada of all the machinery which was previously owned by these various companies.

At the present time there appears to be only one other manufacturer of shoe machinery in Canada, namely the Canadian General and Shoe Machinery Manufacturing Company, of Levis, Quebec, of which Mr. Ernest Caron, one of the applicants, is the general manager. Another company known as the Duplessis Shoe Machinery Company was organized in Canada and operated for a few years about 1900. This company subsequently removed its factory to the United States at Haverhill, Mass. It would also appear from the evidence that there are independent manufacturers of shoe machinery abroad, as catalogues were produced from various manufacturers of shoe machinery in England, Germany and elsewhere, indicating that they were manufacturing a fairly full line of shoe machinery, and that the Canadian General and Shoe Machinery Company is agent for some of them.

The position is to-day that the United Shoe Machinery Company of Canada has as its customers 138 of the boot and shoe manufacturers of Canada, out of a total of 145. It may be noted that in addition to the manufacture of shoe machinery, this company deals in various supplies and materials, some of which are sold to others than manufacturers of boots and shoes.

The company claims to be able to supply about 300 varieties of machines for use in the manufacture of boots and shoes, of which about 150 are in the list of machines of its General Department, and that there were under lease in Canada to its 138 lessees, in the year 1911, 4,906 machines, divided as follows :—

Goodyear principal machines..........	237
Goodyear auxiliaries..................	1131
Heeling machines....................	419
Metallic Department Machines........	611
Lasting machines.....................	370
Pulling Over Department machines....	230
Eyeletting machines..................	230
General Department machines........	1658

It appears that two factories, the Roch Shoe Company, of Quebec, and the Scout Shoe Company, of Montreal, are equipped with machinery derived from other sources. As to the five others, there is no evidence, but they would seem to be small and not important factories.

From 1893 to 1899, the Goodyear Company did business under a system of leases to the Shoe Manufacturers, which system was continued from 1899, by the United Shoe Machinery Company. As and when the company came into possession or control of other machines than those of the Goodyear Company the same method of supplying them to the Shoe Manufacturers under lease was adopted.

Under this system, the machines, with the exception of those of the General Department, which might be either purchased or leased, were supplied to the manufacturers on lease only, and were not for sale. This condition continues.

At first and until 1905, the rule was to charge to the Shoe Manufacturers on installation, an amount varying with the importance and value of the machine, called a "lease premium." Since 1905, the plan has been to instal the machines on lease, without initial charge, but to exact from the manufacturers, whenever such a machine is returned to the company, the cost of putting the machine in good and efficient working order and condition.

Apart from this, there are levied upon certain machines, or sets of machines working together, a royalty charged of a fixed amount per pair ; and in the case of other machines the company derives its return from the sale of materials, as wire, screws, pegs and eyelets, all of which are sold to the manufacturers, who must take them from the company at prices set by the company, and which prices are in excess of the market prices except in the case of eyelets, which are sold at the market price.

The leases are all made for a term of twenty years. Where a machine is returned and exchanged for a new or improved machine ; or when a change occurs in the status of the lessee ; or when a transfer is made by a lessee to another, a new lease, to run for a new term of twenty years, is required to be made. It would appear, from the testimony of its principal officers that the company does not contemplate the continuous use of some of the more complicated and essential machines during the whole term of the lease, but that they will be replaced by new or improved machines before the expiration of the actual leases ; from all of which it results that, taken together, the leases between the company and its customers are for an indefinite period.

The company divides its machines into different classes, each with a special own of lease. A full set of the company's forms of lease are filed as exhibits. The principal departments are, the Goodyear, the Goodyear Auxiliary, the Metallic, the Heeling, the Pegging, the General, the McKay Sewing, the Eyeletting, the Pulling over and the Lasting, these conforming to the principal separate operations in the making of a pair of shoes.

In very lease there is a clause or clauses, imposing limitations upon the use of the machine ; and another clause making the continuance of the lease contingent upon the full observance of the terms of all other leases between the company and its customers.

These clauses, as taken from the leases, stipulate as follows :—

Goodyard Department.

The leased machinery shall be used only in the manufacture of boots, shoes and other footwear made by the lessee known in the trade as "Goodyear Welts" which have been or are to be welted wholly by Goodyear Welt and Turn Shoe Machines held by the lessee under lease from the lessor, and the soles of which have been or are to be attached to their welts wholly by Goodyear Outsole Rapid Lockstitch Machines held by the lessee under lease from the lessor or in the manufacture of boots, shoes or other footwear made by the lessee known in the trade as "Goodyear Turns" the soles of which have been or are to be attached to their uppers wholly by Goodyear Welt and Turn Shoe Machines held by the lessee under lease from the lessor. The lessee shall not represent or sell as "Goodyear Welts" any boots, shoes or other footwear which are not welted wholly by the use of Goodyear Welt and Turn Shoe Machines held under lease from the lessor or the soles of which are not attached to their welts wholly by the use of Goodyear Outsole Rapid Lockstitch Machines held under lease from the lessor or as "Goodyear Turns" any boots, shoes or other footwear the soles of which are not attached to their uppers wholly by the use of Goodyear Welt and Turn Shoe Machines held under lease from the lessor. The lessee shall use the leased machinery to its full capacity in the manufacture of "Goodyear Welts" and "Goodyear Turns" limited only by the number of welted and turned boots, shoes and other footwear made by or for him.

Lasting Machine Department.

The leased machinery shall be used for no other purpose than for lasting boots, shoes or other footwear made by or for the lessee. The leased machinery shall not nor shall any part thereof be used in the manufacture or preparation of any welted boots, shoes or other footwear or portions thereof which have been or shall be welted in whole or in part or the soles in whole or in part stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or in the manufacture or preparation of any turned boots, shoes or other footwear or portions thereof, the soles of which have been or shall be in whole or in part attached to their uppers by the aid of any turn sewing machinery not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes or other footwear which have been or shall be in whole or in part pulled over, slugged, heel seat nailed or otherwise partly made by the aid of any pulling over or "Metallic" machinery not held by the lessee under lease from the lessor. Subject to the foregoing limitations, the lessee shall use the leased machinery to its full capacity upon all boots, shoes or other footwear or portions thereof made by or for the lessee in the manufacture or preparation of which such machinery is capable of being used.

PULLING OVER SYSTEM.

The machinery hereby leased or held by the lessee under other lease or license agreement from the lessor shall be used only in the manufacture or preparation of boots, shoes or other footwear made by or for the lessee and shall be used for no other purpose than for performing the work for which it is designed and leased. The machinery of the Pulling Over System of the lessor hereby leased or held by the lessee under other lease or license agreement from the lessor shall not nor shall any thereof be used in the manufacture of any welted boots, shoes or other footwear which have been or shall be welted in whole or in part or the soles of which have been or shall be in whole or in part stitched or attached by the aid of any welting or sewing or stitching machinery not held by the lessee under lease from the lessor ; or in the manufacture of any turned boots, shoes or other footwear the soles of which have been or shall be in whole or in part attached by the aid of any sewing or attaching machinery not held by the lessee under lease from the lessor ; or in the manufacture of any boots, shoes or other footwear which have been or shall be lasted in any way whether in whole or in part otherwise than by lasting machines held by the lessee under lease from the lessor ; or which have been or shall be pegged, slugged, heel seat nailed or otherwise partly made by the aid of any pegging or metallic machinery not held by the lessee under lease from the lessor, or the heels of which have been or shall be compressed or prepared by the lessee in whole or in part or shall be attached by the aid of any heeling machinery not held by the lessee under lease from the lessor; or in the manufacture of any boots, shoes or other footwear upon which any operation for which any of the machines of the lessor mentioned by name in the foregoing Schedule of Machines are designed, has been or is to be performed by machinery not held by the lessee under lease from the lessor. Subject to the foregoing limitations, the lessee shall use all Rex Pulling Over Machines held by him under lease from the lessor to their full capacity upon all boots, shoes or other footwear or portions thereof made by or for the lessee in the manufacture or preparation of which such machines are capable of being used, and shall use all other machinery of the Pulling Over System of the lessor held by him under lease from the lessor to its full capacity upon all work in the manufacture or preparation of boots, shoes and other footwear, or portions thereof, which is done by or for the lessee by the aid of machinery and which is of a kind which such machinery is designed to perform.

EYELETTING DEPARTMENT.

The lessee shall use the leased machinery to its full capacity on all boots, shoes, footwear, and other articles made in its factory in the manufacture of which it can be used, but the leased machinery shall not nor shall any part thereof be used in the manufacture of any boots, shoes, or other footwear which have been or shall be welted or the soles stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or in the manufacture of any turn boots, shoes or other footwear the soles of which have been or shall be attached to their uppers by the aid of any turn sewing machinery not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes, or other footwear which have been or shall be lasted, pegged, slugged, heel seat nailed, or otherwise partly made by the aid of any lasting or pegging or "Metallic" machinery or mechanisms not held by the lessee under lease from the lessor or in the manufacture of any boots, shoes, or other footwear the heels of which have been or shall be compressed or prepared by the lessee in whole or in part, or have been or shall be attached by the aid of any "heeling" machinery not held by the lessee under lease from the lessor.

PEGGING MACHINE DEPARTMENT.

The lessee shall use the leased machinery to its full capacity on all boots, shoes, and other footwear made in his factory which are or are to be pegged, but the leased machinery shall not, nor shall any part thereof be used in the manufacture of any boots, shoes, or other footwear which have been or shall be lasted on machines not leased to the lessee by the lessor or its assignor, or in the manufacture of any boots, shoes, or other footwear which have been or shall be slugged, heel seat nailed, or otherwise partly made by the aid of any "Metallic" machinery not leased to the lessee by the lessor or its assignor.

METALLIC DEPARTMENT.

The lessee shall use the said machinery to its full capacity so far as the number and kind of boots and shoes made in his factory will permit, except that the lessee agree that the said machinery shall not be used in the manufacture of any boots and shoes which are lasted on machines or by the aid of lasting or tacking mechanisms other than those leased from the lessor or any welted boots or shoes which are not welted and stitched on welt sewing and sole stitching machines leased from the lessor, or turn shoes the soles of which are not attached by turn sewing machines leased from the lessor. In case the lessee has more work of the kind which can be performed by any of the machines belonging to the Metallic Department of the lessor than the capacity of the Metallic machinery which he has under lease from the lessor will permit, then the lessee shall either take from the lessor, under a like lease and agreement, sufficient additional machinery to perform the work, or in case the lessee does not thus lease additional Metallic machinery from the lessor, then the lessor may, if it so elects, cancel forthwith this lease and any other lease of Metallic machinery then in force between the lessor and the lessee, whether as the result of assignment or otherwise.

HEELING MACHINE DEPARTMENT.

The lessee shall use the leased machinery to its full capacity for doing all work in manufacturing, preparing and attaching all heels and top-lifts and in manufacturing and preparing all soles and taps made or prepared or attached in this factory in the manufacture or preparation or attaching of which it can be used, and the leased machinery shall be used for no other purpose. The leased machinery shall not, however, nor shall any part thereof be used for manufacturing, preparing or attaching heels, top-lifts, soles or taps for any boots, shoes or other footwear which have been or shall be welted, or the soles stitched by the aid of any welt sewing or sole stitching machinery not held by the lessee under lease from the lessor, or for any turn boots, shoes, or other footwear, the soles of which have been or shall be attached by the aid of any turn sewing machinery not held by the lessee under lease from the lessor, or for any boots, shoes or other footwear which have been or shall be lasted, pegged, heel seat nailed or otherwise partly made by the aid of any lasting, pegging or metallic machinery not held by the lessee under lease from the lessor.

A similar clause exists in all the other forms of lease used by the Company.

The following clause is also found in the leases:—

But if any breach or default shall be made in the observance of any one or more of the conditions in this agreement contained or contained in any other lease or license agreement subsisting between the lessor and the lessee, whether as the result of assignment to the lessor or otherwise and expressed to be obligatory upon the lessee, the lessor shall have the right, by notice in writing to the lessee, to terminate forthwith any or all leases of or licenses to use machinery then in force between the lessor and the lessee, whether as the result of assignment to the lessor or otherwise, and this notwithstanding that previous breaches or defaults may have been unnoticed, waived, or condoned by the lessor.

From all this it appears that the machines are tied one to the other as follows:

GOODYEAR	METALLIC to	HEELING to	GENERAL to
Welters and Stitchers tie to each other. — Auxiliaries to Welters and Stitchers. Gem Insole Machinery tie to Welters and Stitchers	Welters Stitchers Lasting	Welters Stitchers Lasting Pegging Metallic	Welters Stitchers Lasting Pegging Metallic McKay Sewer B to Lasting only

As will be seen from the foregoing table, the practical result of the system is to compel the manufacturer of boots and shoes to take the complete equipment for his factory from the company, because the auxiliary machines are tied to the main machines of their class, and the main machines of each class are tied to the main machines of the other classes. To illustrate, it will be noticed from the table that if a shoe manufacturer desires to use one of the pulling over machines, that machine can only be had on condition that it will be employed exclusively upon material which have been or are to be treated upon the company's welters, stitchers, lasting, pegging, metallic, heeling and pulling over auxiliary machines.

The machinery in the general department if leased is leased only to those who are already the lessees of the company or is sold to them, or is sold to anyone else. If these machines are leased they become subject to the restricting clauses, but if they are sold they are sold outright and become the property of the purchaser. The machines in this department are all smaller machines, and the majority of them are sold at prices under $100, and the highest price of any single machine is $625.00.

The company has obtained a practically complete control of the business of supplying shoe machinery in Canada. Factors contributing to its acquiring this control are :—The control of patent rights; the quality of the machines supplied; the fact that the company can supply a full set of machines; the introduction of the tying clauses into the lease and the duration of the lease; the efficiency of the service furnished by the company in maintaining its machines in good order; the facility with which the lessee can obtain repair parts for his machines ; the maintenance of a corps of competent roadmen at convenient places for the inspection and repair of machines ; the fact that the manufacturers are all on the same footing as regards the royalties paid, the machines supplied and the service rendered; the ability of the company to provide the large amount of capital needed to adopt and maintain the system of equipping factories with machines under lease.

We have now to consider what is the effect of the situation so established upon (1) competition in the manufacture and the supply of shoe machinery ; (2) the position of the manufacturers of boots and shoes ; (3) the consumers of boots and shoes.

The only complaint of shoe manufacturers, when they complain, is that they are deprived of such advantages as might accrue to them if they were free to avail themselves of the benefit of competition in the supply of shoe machinery. They do not complain of the company's charges, as all shoe manufacturers are, in that respect, on the same footing, and they all incorporate the charge made upon them for royalties in the factory cost of their shoes.

The same reasoning applies to the case of the ultimate consumer, because it is a uniform royalty charge that is included in the cost of shoes to him. The board is not in position to say whether the royalty charges, which run from 5 to 7½ cents a pair for sewed shoes, and a less amount for shoes of inferior quality, are more than they would be if competition were not restricted. There was a conflict of testimony concerning certain calculations based on the capacity of machines which were purchased outright ; the company, again, declined to attach sale values to its leased machines, which might have served as a basis of calculation, and further admitted that the royalties charged were not computed upon present costs but were the same as were in use when the system was adopted.

In regard to the manufacture and supply of shoe machinery, it is established that in all the 188 factories in which the company's machines are under lease, competition is effectively eliminated.

From the record it appears that competition is possible in the following cases :

(1) When a competitor can supply a complete equipment of machines for a new factory, or a complete set of other machines to be used with the company's welter and stitcher.

(2) In the case of machines corresponding to those of the company's general department, or corresponding to the auxiliary machines of the Goodyear Department.

(3) In eyeletting machines.

Where a manufacturer whose factory is equipped with machines obtained from outside sources wishes to use important machines leased by the company, he can only do so on abandoning his other machines, and the company has invariably, in practice, enforced this condition.

With the conditions thus found to be in existence, competition in the manufacture and supply of shoe machinery in Canada is practically impossible.

The company, through its President, Mr. Winslow, contended, that as the revenue derived by the company was determined by the output of the machines, it was of primary importance to the company that those machines should be operated continuously and as nearly as possible to their capacity ; that to secure the continuous operation of the machines the company had organized its service system, by which the machines are kept in proper repair ; that if the manufacturers of boots and shoes were free to use other machines than those of the company, they might use machines of less capacity, or of inferior quality, or machines which, through not having the same efficient repair service would not be repaired as promptly, which would cause delay in the operation of the whole series, thus reducing the output of the factory, in consequence of which the royalty returns would be diminished and the interest of the company suffer.

Mr. Winslow claimed that superiority of machinery and efficiency of service would not be sufficient security to the company. He admitted that the purpose of the tying clauses was to give the company that security by preventing the introduction of other machinery into the factory. He stated that if the company were obliged to remove the tying clauses from its leases a change in its system of doing business would be necessary. He was not able to state the basis on which the rates of royalty were calculated, these having been continued from the previous leases. He assigned no reason for the necessity of a change, nor did he indicate what that change would be.

No other evidence was adduced by the company to show what would be the nature of the changes to be made in its system if the tying clauses were eliminated, nor that changes would be necessary for the protection of its interests.

As indicating that the object of the tying clauses is rather to prevent the introduction of competing machinery than to establish continuity of operation, it may be noted that the company's welter and stitcher will be leased to work in connection with other principal machines obtained from outside sources, that machines corresponding to the machines of the company's General Department can be obtained from outside and introduced into the service, and that the company will sell the machines of the General Department, in which event the company has not the same interest in keeping the machines in order as exists when machines are leased.

CONCLUSIONS.

Such advantages as are claimed by the company for its system of doing business, when they are not inconsistent with the existence of competition, are not vital to a consideration of whether competition is unduly restricted ; neither are any complaints made by the manufacturers where the ground of these complaints would disappear if the way were open to competition.

Eliminating from consideration all those elements of the relations betwen the Company and its customers, we find that :

The United Shoe Machinery Company of Canada is a combine and by the operation of the clauses of the leases, quoted in the foregoing, which restrict the use of the leased machines in the way therein set forth, competition in the manufacture, production, purchase, sale and supply of shoe machinery in Canada has been and is unduly restricted and prevented.

In view of all the circumstances of the case however, we consider it necessary that the delay of ten days prescribed in clause 23 of the Combines Investigation

Act 9-10 Edward VII, Chap. 9, Canada, be extended to an additional period of six months, and we recommend that such delay be granted.

THE UNITED SHOE MACHINERY COMPANY OF CANADA.

To The Honourable Minister of Labour,
Ottawa.

Sir,—As I dissent from the conclusions of the majority of the Board appointed to hold an investigation into the United Shoe Machinery Company of Canada, I beg to submit the following minority report.

The facts established by the evidence submitted to the Board are set out in the majority report, but it is with the conclusions that are drawn from these facts that I differ from the other members of the Board.

There is also one statement in which I cannot concur, to the effect that " with the conditions thus found " to be in existence competition in the manufacture " and supply of shoe machinery in Canada is practically " impossible."

The conclusions arrived at by the majority of the Board are limited to one point namely, that The United Shoe Machinery Company of Canada is a combine and by the operations of the clauses quoted in the report, which restrict the use of the leased machinery in the way therein set forth, competition in the manufacture, production, purchase, sale or supply of shoe machinery in Canada has been and is unduly restricted and prevented.

The only difference of opinion amongst the members of the Board was as to the interpretation of the word " unduly."

The Hon. Mr. Justice Taschereau, who was the Commissioner appointed in 1901 under the provisions of the Customs Tariff Act in 1897 to inquire as to " whether there existed among manufacturers or dealers " of news and printing paper, any trust, combination, " association, or agreement of any kind, to unduly " enhance the price of said article, or in any other way " unduly promote the advantage of the said manufact- " urers or dealers, at the expense of the consumer," defined the word " unduly " in the following sentences of his report :

" The Custom Tariff, in section 18 uses the word " " unduly," whereas section 520 of the Criminal Code " has the word " unreasonably." I see no difference in " those two words as to their signification. They both " mean an oppressive act, contrary to public policy."

In the American and English Encyclopædia of Law, 2nd Edition, in defining undue influence, the following appears :—

" No definition of what the law denominates undue " influence can be given which will furnish a safe and " reliable test for every case. Each case must be " decided on its own special facts."

I think the same remark would apply to the word " unduly " as used in the Combines Investigation Act.

The decision therefore should depend on whether these tying clauses in the leases are unreasonably oppressive and contrary to public policy. It appears to me that in considering this question theses clauses should be treated merely as one part of the Company's system or method of doing business and that this latter should be considered as a whole.

The company contends that if it is compelled to eliminate these clauses from its leases it will be obliged to modify the terms throughout, and this appears to me to be a fair contention. As is pointed out in the report there was no evidence produced as to what these changes would be. The fact however remains that to-day the company furnishes the best machines that are known ; it provides competent and efficient services of inspection and repair, and it gives to its customers the benefit of all improvements, notwithstanding the terms of the lease.

For all this the company is compensated by a royalty based on the output of the machinery and the contention that this output can only be secured by excluding the machines of other manufactures from being used in connection with the machinery of the company is in my opinion reasonable. The capacity of a set of machines is limited by the capacity of the slowest machine in the set and the company is fairly entitled to secure the greatest possible output by providing that the most efficient machinery only shall be used.

As regards competition this is not entirely eliminated. Of 138 manufacturers, whose factories are equipped with the machinery of the company, a large number have started business since the company began its operations in Canada and during that period all new factories at least had the choice of being equipped by the company or by other manufacturers, and to that extent competition exists to-day. There is also the further competition referred to in the majority report.

Since the company obtained control of almost the entire business in Canada no attempt has been made to increase the royalties or otherwise act oppressively, but on the contrary every effort has been made to constantly improve the machinery, to assist new manufacturers in starting business and to satisfy its customers generally.

How far the restrictive clauses have been a factor in securing the business to the company, I am unable to say, but considering the company's methods as a whole I cannot find that they are against public policy. As has been pointed out the company has been of manifest advantage to the manufacturer of boots and shoes, to the labour operating the machines, and to the consumer.

The leases of the company were declared legal by the Privy Council in the case of the Company vs. Brunet *et al.*, and this same system of doing business might have been adopted by any other manufacturers of shoe machinery, However those others preferred to sell their machines and there is evidence that in doing so no adequate guarantee was offered to the purchasers that necessary parts for repairs could be promptly obtained or that a proper repair service would be furnished. That under these conditions the United Shoe Machinery Company of Canada has secured the business is not to my mind sufficient evidence that the tying clauses unduly restrict competition. On the contrary I am of opinion that the leases of the company are not contrary to the provisions of the Act.

I therefore, with all respect, dissent from the conclusions of the majority of the Board.

I have the honour to be,
Sir,
Your obedient servant,

17-2 (Sgd.) W. J. WHITE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Jeudi, le 24e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

Le Ministre de l'Intérieur représente, le 16 septembre 1912, que la compagnie dite "The Ashcroft Water, Electric and Improvement Company", d'Ashcroft, C.-B., a demandé d'acheter aux conditions de vente des terres vendues pour l'irrigation certains terrains situés dans les townships 20 et 21, rang 24, à l'ouest du 6e méridien, couvrant une superficie totale de 3010.5 acres, plus ou moins, soit les terres énumérées dans le tableau annexé aux présentes et au rapport.

La compagnie a soumis au Département de l'Intérieur un vaste projet d'irrigation et d'endiguement, comprenant l'emmagasinage des eaux de trois lacs du territoire provincial, au nord de la zone des chemins de fer ; ces eaux seront déchargées dans la rivière Bonaparte et détournées à un point environ douze milles du confluent des rivières Bonaparte et Thompson, et transportées aux terres fédérales demandées par un canal d'élévation.

Les terres demandées ont été inspectées par l'agent des terres fédérales, à Kamloops, qui a fait rapport que sans irrigation, elles n'avaient aucune valeur ; elles ont aussi été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que ce sont des terres arides qui, sans irrigation, seraient impropres à la colonisation ou à l'agriculture. Le développement de ces terres serait très avantageux pour le district et le pays en général. La Ashcroft Water Electric & Improvement Company" a l'intention de développer ces terres arides par un vaste système d'irrigation moderne et pratique. Enfin, les eaux de la rivière Bonaparte semblent suffisantes pour les fins d'irrigation de la dite compagnie.

Par conséquent, le Ministre recommande qu'en vertu des rapports favorables précités il soit autorisé à vendre à la compagnie dite "The Ashcroft Water Electric & Improvement Company," aux conditions suivantes, les terres fédérales énumérées dans le tableau annexé :

1. Le prix du terrain sera de $1 l'acre. Un premier paiement de 25 cents sera fait lors de l'avis de vente, et la balance de 75 cents l'acre sera payable dès que seront terminés les travaux d'irrigation ainsi que prescrit par les articles "5" et "6" qui suivent.

2. La compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaire pour l'irrigation de ces terres.

3. L'emploi, la diversion et l'emmagasinage de l'eau, ainsi que la construction et l'entretien des travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être conformes aux dispositions de la loi des exploitations hydrauliques de la Colombie-Britannique, 1909.

4. La compagnie construira, dans un délai de trois ans, à partir de la rivière Bonaparte, un système d'irrigation adéquat et satisfaisant pour les terres demandées.

5. Cinquante pour cent des parties irrigables des dites terres seront irriguées et mises en culture dans un délai de trois ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75c. l'acre.

6. Toutes les autres parties irrigables des dites terres seront irriguées et mises en culture dans un délai de cinq ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75 cents l'acre.

7. Les lettres patentes d'aucun de ces terrains ne seront accordées avant qu'ils aient été irrigués et mis en culture à la satisfaction du Ministre de l'Intérieur.

8. La part d'intérêt de la compagnie dans les dites terres fédérales ne pourra être transférée sans en aviser le Ministre de l'Intérieur et sans son consentement.

Le comité soumet cette recommandation pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil daté le 5 janvier 1887 certaines terres dans le voisinage de Port Moody, en raison de leur valeur croissante, ont été soustraites de la vente et de la colonisation, cette réserve étant décrite minutieusement comme suit :—

" Commençant au rivage du bras nord de Burrard-Inlet à l'angle nord-ouest de la section 30, township 39, district de New-Westminster ; de là vers le sud le long des lignes de section jusqu'au coin sud-ouest du quart nord-ouest de la section 19 ; de là vers l'est le long des lignes de quart de section jusqu'au coin nord-est du quart sud-ouest de la section 22 ; de là à angle droit vers le sud jusqu'à la borne nord du lot 385, groupe 1 ; de là vers l'ouest le long de la dite ligne jusqu'au coin nord-ouest du dit lot 385 ; de là vers le sud le long des lignes de lots jusqu'au coin nord-est du lot 238, groupe 1 ; de là vers l'ouest le long des lignes de lots jusqu'au coin sud-ouest du lot 191, groupe 1 ; de là vers le nord le long du rivage du havre de Port Moody jusqu'au coin nord-ouest du lot 191 ; de là suivant les sinuosités du rivage de Port Moody, de Burrard Inlet et du bras nord, y compris la baie Bedwell, jusqu'au point du départ."

Et attendu que le 13 août 1906 l'inscription de homestead a été accordée à William Arthur Berlsford pour le quart fractionnaire nord-ouest de la section 10, township 39, à l'ouest du méridien de la côte, et que ce terrain fait partie de la réserve établie par le dit arrêté en conseil du 5 janvier 1887, et que ce colon s'est complètement acquitté des obligations d'établissement et a droit à ses lettres patentes ;

Par conséquent, il plaît au Gouverner général en conseil, afin d'enlever tout doute quant au titre en raison de cet arrêté en conseil, de rescinder par ces présentes les dispositions du dit arrêté en conseil en tant qu'elles s'appliquent au quart de section ci-dessus mentionné.

LE Ministre de l'Intérieur fait rapport, le 19 octobre 1912, qu'il est opportun de faire une enquête au sujet de l'accomplissement par M W. H. Hutchinson des obligations de homestead en rapport avec son inscription pour les subdivisions légales 2, 7 et 8 de la section 7, township 49, rang 26, à l'ouest du 2e méridien, dans la province de Saskatchewan.

Par conséquent, le Ministre recommande que W. S. McKechnic, de Prince-Albert, dans la province de Saskatchewan, agent des terres fédérales, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*) de l'article 76 du chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos, et à l'examiner sous serment et l'obliger à présenter tous papiers et documents exigés à cette enquête.

Le comité soumet cette recommandation pour approbation.

ATTENDU qu'une formule de contrat de stage entre un arpenteur fédéral et son élève et une formule de transfert de ce contrat d'un arpenteur à un autre sont annexées à la *Loi des arpentages fédéraux*, 7-8 Edouard VII, chapitre 21 ;

Et attendu que le bureau des examinateurs des arpenteurs fédéraux fait rapport que ces formules sont trop longues, que le nombre des blancs à remplir donne lieu à des erreurs fréquentes et qu'il a rédigé des formules contenant moins de blancs ;

Et attendu qu'il est aussi représenté par le bureau des examinateurs que les dites formules ne sont que pour les élèves mineurs, et que deux nouvelles formules sont nécessaires pour les élèves majeurs ;

Et attendu que le ministre de l'Intérieur a présenté ces quatre formules et a recommandé qu'elles soient approuvées :

IL plaît au Gouverneur-général en conseil, en vertu des dispositions de l'article 26 de la Loi des falsifications, chapitre 133 des Statuts revisés du Canada, de décréter ce qui suit :

Les types de qualité suivants sont par ces présentes établis pour les essences aromatiques, savoir :

1. L'essence aromatique est destinée à servir à aromatiser les aliments. Ainsi que ci-après définie, c'est une solution de due force des principes sapides et odorants extraits d'une plante aromatique ou de parties de telle plante, avec ou sans ses matières colorantes naturelles, et dont le nom est conforme à celui de la plante servant à sa préparation.

2. Les dissolvants ordinairement employés dans la préparation des essences aromatiques sont l'alcool éthylique, l'eau et la glycerine. Si l'on se sert d'autres dissolvants que l'alcool éthylique, l'eau et la glycerine, ces dissolvants doivent être inoffensifs et leurs noms doivent être clairement indiqués sur l'étiquette.

3. Les solutions de préparations naturelles ou synthétiques telles que la vanilline, le coumarin, la benzaldehyde, le salicylate méthylique ou autres composés sapides et odorants, ressemblant plus ou moins aux substances extraites des plantes, ou leur étant absolument identiques, et elles sont inoffensives, peuvent être vendues comme essences aromatiques pourvu qu'elles soient étiquetées de manière à indiquer clairement qu'elles ne sont pas les essences définies ci-dessus, et de préférence en employant le mot " artificiel " ou le mot " imitation ".

4. Si une esence est fortifiée en y ajoutant les préparations naturelles ou synthétiques mentionnées à l'article précédent, le fait qu'elles y ont été ajoutées sera clairement indiqué sur l'étiquette, ou on emploiera le mot " composé " ou le mot " mélange " pour l'indiquer.

5. L'extrait de citron est l'essence aromatique tirée de l'écorce de citron, ou de l'huile de citron, et contient en même temps qu'une quantité plus ou moins grande des terpènes de l'huile de citron, au moins deux dixièmes (0.2) d'un pour cent de citral dérivé de l'huile de citron.

6. L'extrait terpénique de citron est l'essence aromatique préparée ainsi que décrit ci-dessus, et ne contient pas plus que cinq (5) pour cent d'huile de citron et pas moins que deux dixièmes (0.2) d'un pour cent de citral dérivé de l'huile de citron.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre suppléant de l'Intérieur représente, le 5 septembre 1912, que M. Andrew Good a demandé un permis de couper des traverses de chemin de fer, des étançons de galeries de mine et du bois de chauffage dans le quart nord-est de la section 11, township 8, rang 6, à l'ouest du 5e méridien, situé dans la réserve forestière des Montagnes Rocheuses. On croyait lors de la demande que le terrain ci-dessus faisait partie des terres réservées au fonds des écoles, et le requérant fut avisé qu'un permis lui serait accordé d'après les règlements ordinaires régissant la vente du bois sur les terres fédérales. Mais il fut plus tard constaté que ce terrain ne faisait pas partie des terres scolaires, et l'autorisation d'accorder le permis fut nécessairement retirée.

Le Ministre ajoute qu'il a fait faire un examen du bois ci-dessus mentionné et qu'il constate que le feu en a tué ce qui donnerait approximativement 5,000 traverses de chemin de fer, 70,000 pieds linéaires d'étançons de mine et 200 cordes de bois de chauffage, et que ce bois devrait être abattu sans délai afin de pouvoir être utilisé avantageusement.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (*b*) de l'article 17 de la *Loi des réserves forestières fédérales* sanctionnée le 19 mai 1911, il soit autorisé à accorder un permis au dit Andrew Good de couper le bois sur le quart de section susdit sur paiement des droits conformément aux règlements régissant l'octroi de licences et de permis annuels de coupe de bois sur les terres fédérales, règlements approuvés par arrêté en conseil du 1er juillet 1898 et des arrêtés subséquents. La coupe sera sujette aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.

Des certificats médicaux témoignant de ce fait, déposés au Ministère, déclarent qu'il serait extrêmement dangereux pour M. Bailey de demeurer sur son homestead.

Le Ministre ajoute que M. Bailey a résidé sur son homestead du mois de mai 1910 au mois de mai 1912, sauf le temps qu'il a passé à l'hôpital au cours de l'année 1911, et y a érigé une maison et une étable.

Mercredi, le 2e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNERAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur fait rapport, le 16 septembre 1912, qu'en vertu des dispositions de la loi provinciale concernant le drainage et l'endiguement les propriétaires fonciers du district de Chilliwack-Sumas, par des pétitions publiées dans la *British Columbia Gazette* le 29 novembre 1906 et le 28 septembre 1905, ont élu un bureau de commissaires pour diriger le travail d'endiguement et de drainage dans le district de Chilliwack-Sumas dans la province de la Colombie-Britannique. Ces commissaires sont autorisés à faire, soit directement soit en les donnant à l'entreprise, des travaux de drainage et d'endiguement pour la protection et le desséchement du terrain mentionné dans les pétitions par lesquelles ils ont été élus. L'argent nécessaire à ces travaux doit être prélevé conformément à la dite loi au moyen d'une taxe prélevée sur les terres concernées. Le district de drainage et d'endiguement de Chilliwack-Sumas couvre une superficie d'environ 30,000 acres, comprenant à peu près les terres inondées par les eaux du lac Sumas ; ce district est situé dans la zone des chemins de fer, du côté sud de la rivière Fraser, quarante milles à l'est de Vancouver, et contient 12,120 acres de terres fédérales, y compris quelques 9000 acres du lit du lac Sumas.

Le Ministre ajoute ce qui suit :

Les commissaires ont demandé qu'il soit fait une convention entre le Ministre de l'Intérieur et eux-mêmes leur transférant les terres fédérales submergées dans le lac Sumas et autour de ce lac, comprenant approximativement 12,120 acres, lorsqu'ils auront réussi à mettre à exécution leur plan de desséchement.

Les commissaires ont intéressé au projet la Compagnie L. M. Rice, à responsabilité limitée, compagnie constituée en corporation en vertu des statuts de l'État de Washington et enregistrée pour exercer dans la province de la Colombie-Britannique, et ont passé avec cette compagnie une convention pour l'exécution de certains travaux d'endiguement à la condition que le Ministre de l'Intérieur convienne avec les commissaires de leur transférer les terres fédérales submergées susdites dans le lac Sumas et autour de ce lac quand ils auront réussi à le dessécher.

Des plans, devis, etc., des travaux de desséchement projetés ont été déposés au Ministère de l'Intérieur, ainsi qu'une copie de la convention entre les commissaires et la Compagnie L. M. Rice, à responsabilité limitée.

Les terres demandées ont été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que les terres fédérales du et autour du lac Sumas ne sont actuellement d'aucune utilité et ne conviennent pas à la colonisation telle que prévue par la loi des terres fédérales à cause de l'inondation continuelle de près de 9,000 acres du lit du lac Sumas et de l'inondation périodique d'environ 2,000 acres chaque été à l'époque des crues des rivières Fraser et Chilliwack. Outre les dites terres fédérales, il y a qui les avoisinent et les entourent 20,000 acres de terre appartenant à des particuliers et qui sont exposés aux inondations régulières ou périodiques à l'époque des crues, et dont la productivité est de ce fait grandement diminuée. Le desséchement de ces terres fédérales et privées serait d'un grand avantage pour la vallée de la rivière Fraser et la province de la Colombie-Britannique, non seulement à cause de la grande étendue de terres fédérales maintenant inutiles qu'on rendrait ainsi fertiles et productives, mais aussi à cause de l'augmentation de valeur et d'utilité d'une plus grande étendue encore de terres privées dont le danger constant d'inondation diminue la productivité. Depuis plusieurs années des ingénieurs éminents sont d'avis que le desséchement des terres susdites est possible aux points de vue pratique et économique, le coût total étant d'environ un million de dollars.

En vue de ces faits, le Ministre demande l'autorisation de consentir à une convention avec le Bureau des commissaires du district de drainage et d'endiguement de Chilliwack-Sumas leur transférant les terres inondées du lac Sumas et des environs, conformément au tableau annexé, aux conditions suivantes :

1. Les terres demandées seront parfaitement desséchées et rendues propres à l'exploitation agricole dans quatre ans de la date de la convention.

2. Les lettres patentes d'aucune de ces terres ne seront accordées avant que le Ministre de l'Intérieur ait constaté, par un rapport d'un ingénieur du Ministère, que toutes ces terres fédérales qui peuvent être desséchées l'ont bien été et sont propres à l'exploitation agricole, et que les travaux de desséchement ont résisté aux crues de l'été qui a suivi l'achèvement des travaux d'endiguement.

3. Au parachèvement des travaux d'endiguement les terres susdites seront vendues aux Commissaires au prix nominal d'un dollar.

4. Le Ministère n'assume aucune responsabilité quant à la manière et la méthode de desséchement, la prévoyance ou l'imprévoyance de la convention entre les commissaires et la Compagnie L. M. Rice, ou quant à la bonne inspection au cours des travaux, se réservant seulement le droit de décider si oui ou non les travaux de desséchement ont été parachevés avec succès.

Le comité soumet cette demande pour approbation.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

Règles relatives aux pétitions et aux bills privés.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*)	Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension........................	$ 100 00
(*b*)	Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième	100 00
(*c*)	Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session........................	200 00
(*d*)	Lorsque le capital social projeté d'une compagnie dépasse $250,000 et n'excède pas $500,000.............	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills prives prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

Extrait des règles du Sénat.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

RODOLPHE BOUDREAU,

19–4 Clerk of the Privy Council.

[2868]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 22nd day of October, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date the 7th October, 1912, states that application has been made to the Department of the Interior by the Blue Mountains Refractories Company, Limited, of the City of Vancouver in the Province of British Columbia, for permission to purchase the West half of Section 1, the whole of Sections 2 and 3 and the easterly fifty-five chains of the South half of Section 4, in Township 4, Range 4 west of the 7th Meridian, in the said Province, for the purpose of manufacturing brick and other products of clay; also for permission to acquire the fractional South West quarter of Section 2, Township 7, Range 26 West of the 6th Meridian, containing an area of 144.75 acres, upon which to erect a glazing plant in connection with the manufacture of the clay products; together with a right of way along and through Sections 32, 33 and 34, in Township 3, Range 4 West of the 7th Meridian, in the said Province, leading down to the Lillooet River, for the purpose of communication between that river and the tract first above described.

The Minister observes that an inspection of the lands applied for has been made by the Crown Timber Agent at New Westminster, who reported that they contain very little merchantable timber; that such timber as there is on the land is not more than would be required to carry on the business which it is proposed to establish; and that while the lands in question have in the past been examined by timber cruisers, no applications have been made for licenses to cut timber thereon. It would appear also that the lands are precipitous and of little value for agricultural purposes.

The Minister is of the opinion—as the applicants express their willingness to establish an industry of some magnitude on these lands, which would otherwise seem to be of little value—that it would be in the public interest to favourably consider such application, and he recommends that he be authorized to reserve for the applicants the lands for which they have applied and to dispose of the same to them for the purpose mentioned at the rate of $1.00 an acre, upon their complying with the following conditions :—

1. That the applicants shall erect upon the property first above described a plant of a capacity of at least fifty thousand bricks per week;

2. That such plant shall be in operation, and shall have actually produced not less than one million bricks, within three years from the date upon which the sale may be authorized;

3. The applicants shall, within three years from the date upon which the sale may be authorized, erect upon the fractional south-west quarter of Section 2, Township 7, range 26 west of the 6th Meridian, a glazing plant of a capacity and design suitable for the purpose and satisfactory to the Minister of the Interior, and shall commence actual operations in treating the clay products in such plant within the same period;

4. That until the above conditions have been complied with, and the patent for the lands in question issued, the applicants shall pay to the Crown the cost which may be incurred in properly guarding the merchantable timber in the vicinity from fire which may result from their operations;

5. That failure on the part of the applicants to comply with any of the conditions herein contained shall be followed by cancellation of the reservation and sale, and the forfeiture to the Crown of the amounts which may have been paid;

6. That the reservation and sale shall be subject to the rights of the Provincial Government of British Columbia in respect of the minerals which may be found to exist on or under the land;

7. AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of October, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 16th September, 1912, that the Ashcroft Water Electric and Improvement Company, of Ashcroft, B.C., has applied to purchase on irrigation conditions certain lands in Townships 20 and 21, Range 24, west of the Sixth Meridian, comprising an aggregate area of 3010·5 acres, more or less, and being the lands set out in the schedule hereto attached, and to report ;

That the company has submitted to the Department of the Interior a comprehensive irrigation and storage project, involving the storage of water in three lakes in provincial territory, north of the railway belt ; the said water to be released in to the Bonaparte River and diverted at a point about twelve miles from the confluence of the Bonaparte and Thompson Rivers, and carried in a high line canal to the Dominion lands applied for ;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that without the aid of irrigation the lands are valueless; that they have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that they are of an arid class, unsuited for homesteading or for agriculture without irrigation; that the successful development of these lands would be in the best interest of the district and country at large; that the intention of the Ashcroft Water Electric and Improvement Company is to develop these arid lands by a large, modern and feasible irrigation system; and, that the water supply of the Bonaparte River seems to be sufficient for the irrigation needs of the said company.

The Minister therefore, recommends that, in view of the above favourable reports, he be authorized to sell the Ashcroft Water Electric and Improvement Company the available portions of the Dominion lands set out in the schedule hereto attached, on the following conditions:—

1. That the price of the land be $1.00 per acre; a first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre to be payable upon the completion of the irrigation scheme as set out in paragraphs "5" and "6" hereunder.

2. That the Company shall obtain from the British Columbia Authorities the necessary water rights for the said lands.

3. That the use, diversion and storing of water; the construction and maintenance of all irrigation works, dams, intakes, flumes, ditches, etc., shall be in accordance with the provisions of the British Columbia Water Act, 1909.

4. That the company shall construct an adequate and satisfactory irrigation system for the lands applied for, from the Bonaparte River, within three years.

5. That 50% of the irrigable portions of the said lands shall be irrigated and cultivated within three years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.

6. That all the remaining irrigable portions of the said lands shall be irrigated and cultivated within five years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.

7. That no patent shall issue for any of the lands except upon their successful irrigation and cultivation, to the satisfaction of the Minister of the Interior.

8. That the company's interest in the said Dominion lands shall not be transferred except with the knowledge and consent of the Minister of the Interior.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS numerous applications have been received for the leasing of School Lands for fire-clay purposes, and the Minister of the Interior is of the opinion that it would be in the public interest, as well as in that of the School Lands Endowment, to issue leases of School Lands for the purpose mentioned,—

The Governor General in Council is pleased to order as follows :—

Leases of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta, for the purpose of extracting fire-clay therefrom, may be issued under and in accordance with the following Regulations :

REGULATIONS for the leasing and administration of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta for the purpose of extracting Fire-clay therefrom.

'Minister' shall mean the Minister of the Interior.

'Fire-clay location' shall mean a tract of School Lands containing fire-clay.

'Year' shall mean a period of twelve calendar months.

'School Lands' shall mean Sections 11 and 29, or lands that have been selected and set apart in lieu of either of these sections under the provisions of The Dominion Lands Act.

1. School Lands containing fire-clay in the Provinces of Manitoba, Saskatchewan and Alberta may be leased by the Minister at an annual rental of $1.00 per acre, payable yearly in advance, for the purpose of extracting fire-clay therefrom.

Provided that no lease for a fire-clay location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by the lease, or any exclusive right or interest or other property in, or any exclusive right or privilege with respect to any lake, river, spring, stream or other body of water within or bordering on or passing through the land covered by the lease ;

And provided further that these Regulations shall not apply to School Lands comprised within an incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

2. The term of the lease shall be twenty-one years, renewable for a further period of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the terms of such lease, and with the provisions and regulations regarding the dis-

posal and operation of fire-clay locations, which may have been made from time to time by the Governor in Council.

3. The maximum area of a fire-clay location shall be 40 acres, more or less, and no person shall be allowed to locate more than one location.

Provided that a person who has been granted a lease of a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, be permitted to make another location.

Provided further that such right of re-location shall not be granted unless all payments on account of rent, or other liability to the Department, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

4. The location applied for shall consist of a legal subdivision, or part of a legal subdivision :

Provided that parts of two adjoining legal subdivisions may be included in a fire-clay location, but the whole area shall not exceed one-half mile in its greatest dimension, nor shall the length exceed twice the breadth.

5. Application for a location shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the location is situated.

The application shall contain a full description by legal subdivision, section, township, range and meridian, of the land applied for and shall be accompanied by a declaration from the applicant to the effect that the land comprised within the location contains fire-clay in merchantable quantities.

6. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister of the Interior to do so, and shall take out or remove from such location the quantity of fire-clay specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of fire-clay which the lessee is required to extract from such location, which quantity may be increased from time to time upon thirty days notice to that effect being given to the lessee.

In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not taken out during each year, the lease shall be subject to cancellation in the discretion of the Minister.

7. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

8. The boundaries beneath the surface of fire-clay locations shall be the vertical planes or lines in which their surface boundaries lie.

9. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

10. A fee of $5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

11. The applicant shall be given a period of thirty days from the date of the receipt of his application within which to pay to the agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar ($1.00) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued, and shall bear date from the day upon which the application was received by the agent.

If the rental is not paid within the time specified, the application shall absolutely lapse, and the right applied for shall become available for other disposition.

12. If during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar ($1.00) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all rights granted thereunder.

13. A person operating a fire-clay location shall furnish the agent of Dominion Lands for the district in which the location is situated, with sworn returns every six months, or at such times as the Minister may direct, of the quantity of fire-clay taken from the location.

14. Every lessee of fire-clay rights which are not being operated shall furnish the agent of Dominion Lands with a sworn statement to that effect at least once in each year.

15. In case the surface rights of a fire-clay location are covered by a timber license, grazing permit, petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon except the permission of the Minister is first had and obtained and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

16. In case the mineral rights in any land comprised within a fire-clay location are found to have been disposed of by the Crown and the lessee of such mineral rights cannot make any arrangement with the lessee of the fire-clay location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration.

Upon receiving such permission in writing, it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the fire-clay location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the fire-clay location, owner or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the agent of Dominion lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such lessee of the fire-clay location, or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served, by leaving it at, or sending it by registered mail to the last known place of abode of the lessee of the fire-clay location, agent or occupant, and by posting a copy in the office of the agent of Dominion lands for the district in which the land is situated. Such notice shall be served if the lessee of the fire-clay location or his agent resides in the district in which the land is situated, ten days, if out of the district, and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the fire-clay location, or his agent, or occupant, refuses or declines to appoint an arbitrator or when, for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the agent of Dominion lands for the district in which the lands in question lie, shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the fire-clay location, his agent, or occupant, or that such lessee, agent or occupant, wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service and that the notice was left at the last place of abode of such lessee, agent or occupant, appoint an arbitrator on his behalf.

17. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district

in which the land in question is situated, shall forthwith select such third arbitrator.

18. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the fire-clay location or occupant shall be entitled.

19. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

20. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

21. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne by the lessee of the mineral rights.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 17th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS application has been made by the Department of Indian Affairs on behalf of the Kinistino Band of Indians, for an exchange of certain lands in Townships 40 and 41, Range 16, West of the Second Meridian, for two square miles surrendered by them in the North-west corner of their Reserve No. 91, as they have not sufficient hay on the reserve for use of the said band and it is practically necessary that the lands applied for, which contain a considerable quantity of hay, should be set aside for the use of the said Indians ;

And whereas the lands applied for are available for the purpose according to the records of the Department of the Interior, and the Minister of the Interior is of the opinion that the proposed exchange would be in the public interest,—

Therefore the Governor General in Council is pleased to order that the lands applied for be set aside for the use of the Indians of the Kinistino Indian Reserve, such lands being composed of all those portions of the North-half of Section Twenty-seven, all those portions of section Thirty-four and all those portions of the West half of section Thirty-five, in Township 40, Range 16, West of the Second Meridian, and all those portions of the South half of section Three in Township 41, Range 16, West of the Second Meridian, which are not covered by any of the waters of Kitako Lake, all as shown upon plans of survey of the said Fortieth and Forty-first Townships, approved and confirmed at Ottawa, respectively, on the 5th day of July, A.D. 1906, and the 3rd day of September A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, containing by admeasurement together One thousand One hundred and Thirty acres and Fifty hundredths of an acre, more or less, and outlined in red on the plan hereto attached.

The Governor General in Council is further pleased to order that in exchange for the tract of land above mentioned, the lands hereinafter described, which have been surrendered by the Indians for the purpose of such exchange, and which exchange was accepted by an Order in Council, dated the 28th day of September, 1911, be vested in the Department of the Interior, to be disposed of in the ordinary way, under the provisions of the Dominion Lands Act ; such lands being composed of all that portion of the Kinistino Indian Reserve No. 91, as surveyed by J. L. Reid, Dominion Land Surveyor, in the year 1900, and more particularly described as : Beginning at the northwest corner of the said reserve ; thence easterly following the north boundary of the said reserve a distance of seventy-seven chains and thirty links ; thence southerly and parallel with the west boundary of the said reserve a distance of one hundred and twenty-one chains and twenty-nine links ; thence westerly and parallel with the said north boundary of the said reserve a distance of seventy-seven chains and twenty-eight links more or less to the west boundary of the said reserve ; thence northerly following the said west boundary to the place of commencement, and containing an area of two square miles, more or less, and as shown outlined in pink on the sketch hereto attached.

Clerk of the Privy Council.

[2841]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 17th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS by a Memorandum of Agreement, bearing date the first day of August, 1908, which is on file in the Department of the Interior, at Ottawa, and which was entered into between the then Minister of the Interior on behalf of the Crown with the provisional directors of "The Alexandra Hospital of Rosthern," it was agreed that so soon as that institution became incorporated the lands hereinafter described would be granted to it for hospital purposes ;

And whereas upon the 18th December, 1909, an Act, chapter 50 of the Statutes of the Province of Saskatchewan for that year, came into force, whereby, under the provisions of its first section the then members and future members of "The Alexandra Hospital of Rosthern" became a body politic and corporate, under that name, and under the provisions of its second section that body was authorized to acquire and hold lands for its purposes ;

And whereas application has been made by "The Alexandra Hospital of Rosthern" for a grant of these lands the property of the Crown in the right of Canada, which are available for the purposes before mentioned, and may be described as follows, that is to say:—

That part of the North West Quarter of Section thirty-five (35) in township forty-two (42) range three (3) west of the third (3rd) meridian in the district, now the Province of Saskatchewan, in the North West Territories of Canada more particularly described as follows : Commencing at a point on the southerly boundary of the said quarter-section where said southerly boundary intersects the easterly boundary of East Railway Street as said street is shown on a plan of Rosthern registered in the Land Titles Office for the East Saskatchewan Land Registration District as Plan "V" ; thence easterly along the southerly boundary of said quarter section one hundred and sixty-five (165), feet three and one-half (3½) inches, thence north easterly parallel with and one hundred (100) feet distant from the easterly boundary of said East Railway street fifty (50) feet, thence north-westerly at right angles to last mentioned course one hundred (100) feet to the easterly boundary of East Railway street, thence south westerly along said easterly boundary, of said East Railway street, one hundred (100) feet, more or less to the place of beginning.

Therefore, the Governor General in Council, in virtue of the provisions of paragraph "(*d*)" of section 76 of The Dominion Lands Act, is pleased to authorize

and doth hereby authorize the issue of a grant, by letters patent or otherwise as may be necessary, to The Alexandra Hospital of Rosthern of the lands above described for the purposes mentioned in the Act of Incorporation of that Institution.

RODOLPHE BOUDREAU,
17–4 Clerk of the Privy Council.

[2697]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior submits under date 5th September, 1912, that application has been made by Mr. Andrew Good for a permit to cut ties, mine props and cordwood on the Northeast quarter of section 11, township 8, range 6, west of the 5th Meridian, situated in the Rocky Mountains Forest Reserve, that it was considered at the time the application was received that the land was included in the School Lands Endowment, and the applicant was therefore advised that permit would issue in accordance with the usual regulations for the disposal of timber on Dominion Lands, but on its later being decided that the land was not so included, the authority for the issuance of the permit was of necessity withdrawn.

The Minister states that he has caused an examination to be made of the said timber and finds that there are approximately 5,000 ties, 70,000 lineal feet of mine props and 200 cords of fuel-wood which have been killed by fire and should be cut without delay in order to secure its proper and economic utilization.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said Andrew Good to cut the timber on the said quarter section on payment of dues in accordance with the regulations governing the Granting of Yearly Licenses and Permits to cut Timber on Dominion Lands, approved by Order in Council of the 1st July, 1898, and subsequent Orders in Council, the cutting to be done subject to the regulations relating to forest reserves.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
16–4 Clerk of the Privy Council.

[2695]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 2nd day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date of 16th September, 1912, reports that under the provisions of the Provincial Drainage and Dyking Act the owners of the land in the Chilliwack-Sumas district have by petitions published in the *British Columbia Gazette* on the twenty-ninth day of November, nineteen hundred and six, and twenty-eighth day of September, nineteen hundred and five, elected a Board of Commissioners for the dyking of the Chilliwack-Sumas Drainage and Dyking District of the Province of British Columbia, who are empowered to erect, either directly or by contract, drainage and dyking works for the protection and reclamation of the area included in the petitions by which they were elected ; that the money to pay for the work is to be raised pursuant to the said Act, by assessment on the lands benefited ; that the Chilliwack-Sumas Drainage and Dyking district covers an area of about 30,000 acres, comprising roughly the lands flooded by the waters of Sumas Lake ; that the district is within the Railway Belt, on the south side of the Fraser River, forty miles east of Vancouver ; and that within this district there are 12,120 acres of Dominion land, including some 9,000 acres in the bed of Sumas lake.

The Minister also reports as follows :—

That the Commissioners have made application for an agreement between the Minister of the Interior and themselves, looking to the transfer to them of the Dominion overflow lands in and around Sumas lake, containing approximately 12,120 acres, upon the reclamation scheme being successfully completed ;

That the Commissioners have interested the L. M. Rice Company, Limited, a Company incorporated under the Statutes of the State of Washington and registered to do business in the Province of British Columbia, and have entered into an agreement with this Company, providing for the construction of certain dyking works conditionally on the Minister of the Interior entering into an agreement with the Commissioners providing for the ultimate transfer of the Dominion overflow lands applied for in and around Sumas lake upon the successful reclamation of same ;

That the Department of the Interior has been furnished with plans, specifications, etc., of the proposed scheme of reclamation, also with a copy of the agreement between the Commissioners and the L. M. Rice Company, Limited ;

That the lands applied for have been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that the Dominion lands in and around Sumas lake are at present useless and unsuited for homesteading under the Dominion Lands Act on account of the perpetual inundation of nearly 9,000 acres in the bed of Sumas lake and the periodical flooding of about 2,000 acres for several months each summer during the high water season of the Fraser and Chilliwack rivers ; that in addition to the said Dominion lands there are some 20,000 acres of private lands adjoining and surrounding the said Dominion lands, which private lands are also subject to regular or occasional flooding during the same high water period, and thereby productiveness of the said land is greatly decreased ; that the reclamation of these Dominion and private lands would be a great boon to the Fraser valley and the Province of British Columbia not only on account of the large area of now useless Dominion lands that would be rendered fertile and productive, but the enhanced value and usefulness of the still larger area of private lands whose present productiveness is minimized by the constant menace of flooding ; and that the best advice of eminent engineers for many years declares that the reclamation of the above lands is practicable from both engineering and economic points of view, the total cost being in the neighbourhood of one million dollars.

The Minister, in view of the above, recommends that he be authorized to enter into an agreement with the Board of Commissioners for the Chilliwack-Sumas Drainage and Dyking District, looking to the transfer of the Dominion overflow lands in and around Sumas lake, as set out in schedule hereto attached, on the following conditions :—

1. That the lands applied for shall be successfully reclaimed and rendered fit for agricultural purposes within four years from the date of the agreement.
2. That no patent for any of the lands shall issue until the Minister of the Interior is satisfied,—through a report by a Department engineer,—that all the said Dominion overflow lands possible of reclamation have been successfully reclaimed and rendered fit for agricultural purposes, and that the reclamation works have withstood the high water of the summer following the completion of the dyking works ;
3. Upon the successful completion of the dyking scheme the lands will be sold the Commissioners at the nominal price of One Dollar.
4. That the Department assumes no responsibility for the manner and method of the reclamation ; for the providence or improvidence of the agreement between the Commissioners and the L. M. Rice Company, Limited ; and no responsibility for the proper inspection of the work during its progress, merely

reserving the right to say whether or not the reclamation has been successfully completed.

The Committee submit the foregoing recommendation for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

AVIS AUX CONSTRUCTEURS DE NAVIRES ET AUTRES.

RELATIVEMENT à la guerre qui sévit actuellement entre la Turquie et la Grèce, la Bulgarie, la Servie, et le Montenegro, on attire l'attention des constructeurs de navires et autres sur les dispositions de la Loi des enrôlements à l'étranger 1870 (33 et 34 Vic., chap. 90) articles 8, 9, et 23, qui indiquent leurs devoirs et leurs obligations au sujet de la construction et l'équipement de navires qui sont destinés à servir, ou qui pourraient servir, dans le service militaire ou naval des belligérants.

L'article 8 établit que si une personne, dans les limites des possessions de Sa Majesté, construit, délivre, commissionne, équipe, ou expédie un navire avec intention ou connaissance, ou ayant cause raisonnable de croire que le dit navire sera employé dans le service militaire ou naval des belligérants, sera passible d'une amende et de l'emprissonnement, et de la confiscation du navire et de son équipement.

Mardi, le 22e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 7 octobre 1912, que la compagnie dite "The Blue Mountains Refractories Company, Limited", de la ville de Vancouver, dans la province de la Colombie-Britannique, a demandé au Ministère de l'Intérieur la permission d'acheter la moitié ouest de la section 1, les sections 2 et 3 entières et les 55 chaînons de l'est de la moitié sud de la section 4, township 4, rang 4, à l'ouest du 7e méridien, dans la dite province, pour la fabrication de la brique et autres produits de l'argile. La compagnie demande aussi d'acheter le quart fractionnaire sud-ouest de la section 2, township 7, rang 26 à l'ouest du 6e méridien, couvrant une superficie de 144.75 acres, pour y construire un établissement de vernissage en rapport avec la fabrication des produits de l'argile ; aussi le droit de passage longeant et traversant les sections 32, 33 et 34, dans le township 3, rang 4, à l'ouest du 7e méridien, dans la dite province, conduisant à la rivière Lillooet, établissant une voie de communication entre cette rivière et le premier des terrains ci-dessus décrits.

Le Ministre représente qu'une inspection des terres demandées a été faite par l'agent des bois de la Couronne, à New Westminster, qui a fait rapport qu'elles contiennent très peu de bois de valeur marchande ; qu'il ne s'y trouve pas plus de bois qu'il est nécessaire pour les fins de l'industrie projetée ; et bien que les terres en question aient dans le passé été examinées par des prospecteurs forestiers, aucune demande de permis de coupe de bois n'a encore été faite. Il appert aussi que ces terrains sont très accidentés et de peu de valeur au point de vue agricole.

Les requérants ayant exprimé l'intention d'établir une industrie d'une certaine importance sur ces terrains, qui auraient autrement peu de valeur, le Ministre est d'avis qu'il serait de l'intérêt public d'accorder leur demande, et il demande l'autorisation de mettre en réserve pour les requérants les terrains qu'ils ont demandés et de les leur vendre pour les fins mentionnées au prix de $1.00 l'acre, pourvu qu'ils se conforment aux conditions suivantes :—

1. Les requérants construiront sur le premier des terrains ci-dessus décrits une briqueterie d'une production d'au moins 50,000 briques par semaine.

2. Cette briqueterie sera en fonctionnement et devra avoir produit au moins un million de briques dans la période de trois ans qui suivront la date de l'autorisation de la vente.

3. Dans les trois ans qui suivront la date de l'autorisation de la vente, les requérants construiront sur le quart fractionnaire sud-ouest de la section 2, township 7, rang 26, à l'ouest du 6e méridien, un établissement de vernissage d'une capacité et d'un modèle convenant aux fins proposées, à la satisfaction du Ministre de l'Intérieur, et commenceront l'exploitation de cet établissement dans la même période en y traitant les produit de l'argile.

4. Jusqu'à ce que les conditions ci-dessus aient été remplies et les lettres patentes des terrains en question accordées, les requérants rembourseront la Couronne de toute dépense qui pourra être encourue pour la protection du bois marchand dans le voisinage contre le danger d'incendie qui pourrait résulter de leur exploitation.

5. Dès que les requérants auront négligé de se conformer à une des conditions ici prévues la réserve des terres susdites cessera, la vente sera annulée et la Couronne confisquera les sommes qui auront été payées.

6. La mise en réserve et la vente seront subordonnées aux droits du gouvernement provincial de la Colombie-Britannique en ce qui concerne la découverte de minéraux dans ou sur ces terrains.

7. Dès que preuve satisfaisante aura été donnée que les conditions ci-dessus ont été parfaitement obs que le prix d'achat de $1.00 l'acre a été payé et que le terrain a été arpenté les lettres patentes des terrains en

question seront accordées aux requérants, réserve étant faite des mines et minéraux, ainsi que de la houille qui pourraient être découverts dans ou sur ces terrains.

Le Ministre ajoute que les terrains ci-dessus décrits avaient été antérieurement concédés, à des conditions semblables à celles ici contenues, à un certain George H. Turner, par un arrêté en conseil daté le 27 mars 1908. M. Turner a payé au Ministère de l'Intérieur pour ces terrains la somme de $1.00 l'acre avant qu'il fût nécessaire de le faire d'après les dispositions du dit arrêté en conseil, et il demande au Ministère que le paiement qu'il a fait sur les terrains en question soit appliqué au compte du prix d'achat exigé des présents requérants.

En vue de ces faits, le Ministre demande aussi l'autorisation d'appliquer au paiement des terrains en question la somme payée par M. Turner à compte du prix d'achat.

Le comité soumet cette demande pour approbation.

ATTENDU que demande a été faite au nom de l'Eglise méthodiste de la concession de quatre acres de terre compris dans le coin nord-ouest du quart nord-est de la section 10, township 44, rang 17, à l'ouest du 4e méridien, pour les fins d'une église ;

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande devrait être accordée, les conditions ordinaires ayant été remplies,—

Par conséquent, il plaît au Gouverneur-général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'une église quatre acres de terre compris dans le coin nord-ouest du quart nord-est de la section 10, township 44, rang 17, à l'ouest du 4e méridien, et d'en autoriser la concession à l'Eglise Méthodiste pour les fins susdites.

Jeudi, le 24e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

Le Ministre de l'Intérieur représente, le 16 septembre 1912, que la compagnie dite " The Ashcroft Water, Electric and Improvement Company ", d'Ashcroft, C.-B., a demandé d'acheter aux conditions de vente des terres vendues pour l'irrigation certains terrains situés dans les townships 20 et 21, rang 24, à l'ouest du 6e méridien, couvrant une superficie totale de 3010.5 acres, plus ou moins, soit les terres énumérées dans le tableau annexé aux présentes et au rapport.

La compagnie a soumis au Département de l'Intérieur un vaste projet d'irrigation et d'endiguement, comprenant l'emmagasinage des eaux de trois lacs du territoire provincial, au nord de la zone des chemins de fer ; ces eaux seront déchargées dans la rivière Bonaparte et détournées à un point environ douze milles du confluent des rivières Bonaparte et Thompson, et transportées aux terres fédérales demandées par un canal d'élévation.

Les terres demandées ont été inspectées par l'agent des terres fédérales, à Kamloops, qui a fait rapport que sans irrigation, elles n'avaient aucune valeur ; elles ont aussi été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que ce sont des terres arides qui, sans irrigation, seraient impropres à la colonisation ou à l'agriculture. Le développement de ces terres serait très avantageux pour le district et le pays en général. La Ashcroft Water Electric & Improvement Company " a l'intention de développer ces terres arides par un vaste système d'irrigation moderne et pratique. Enfin, les eaux de la rivière Bonaparte semblent suffisantes pour les fins d'irrigation de la dite compagnie.

Par conséquent, le Ministre recommande qu'en vertu des rapports favorables précités il soit autorisé à vendre à la compagnie dite "The Ashcroft Water Electric & Improvement Company," aux conditions suivantes, les terres fédérales énumérées dans le tableau annexé :

1. Le prix du terrain sera de $1 l'acre. Un premier paiement de 25 cents sera fait lors de l'avis de vente, et la balance de 75 cents l'acre sera payable dès que seront terminés les travaux d'irrigation ainsi que prescrit par les articles " 5 " et " 6 " qui suivent.

2. La compagnie devra obtenir des autorités de la Colombie-Britannique les droits à l'eau nécessaire pour l'irrigation de ces terres.

3. L'emploi, la diversion et l'emmagasinage de l'eau, ainsi que la construction et l'entretien des travaux d'irrigation, digues, conduites d'alimentation, canaux, fossés, etc., devront être conformes aux dispositions de la loi des exploitations hydrauliques de la Colombie-Britannique, 1909.

4. La compagnie construira, dans un délai de trois ans, à partir de la rivière Bonaparte, un système d'irrigation adéquat et satisfaisant pour les terres demandées.

5. Cinquante pour cent des parties irrigables des dites terres seront irriguées et mises en culture dans un délai de trois ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75c. l'acre.

6. Toutes les autres parties irrigables des dites terres seront irriguées et mises en culture dans un délai de cinq ans, alors que les lettres patentes des terres ainsi irriguées seront accordées sur paiement de 75 cents l'acre.

7. Les lettres patentes d'aucun de ces terrains ne seront accordées avant qu'ils aient été irrigués et mis en culture à la satisfaction du Ministre de l'Intérieur.

8. La part d'intérêt de la compagnie dans les dites terres fédérales ne pourra être transférée sans en aviser le Ministre de l'Intérieur et sans son consentement.

Le comité soumet cette recommandation pour approbation.

Attendu que par un arrêté en conseil daté le 5 janvier 1887 certaines terres dans le voisinage de Port Moody, en raison de leur valeur croissante, ont été soustraites de la vente et de la colonisation, cette réserve étant décrite minutieusement comme suit :—

" Commençant au rivage du bras nord de Burrard-Inlet à l'angle nord-ouest de la section 30, township 39, district de New-Westminster ; de là vers le sud le long des lignes de section jusqu'au coin sud-ouest du quart nord-ouest de la section 19 ; de là vers l'est le long des lignes de quart de section jusqu'au coin nord-est du quart sud-ouest de la section 22 ; de là à angle droit vers le sud jusqu'à la borne nord du lot 385, groupe 1 ; de là vers l'ouest le long de la dite ligne jusqu'au coin nord-ouest du dit lot 385 ; de là vers le sud le long des lignes de lots jusqu'au coin nord-est du lot 238, groupe 1 ; de là vers l'ouest le long des lignes

de lots jusqu'au coin sud-ouest du lot 191, groupe 1 ; de là vers le nord le long du rivage du havre de Port Moody jusqu'au coin nord-ouest du lot 191 ; de là suivant les sinuosités du rivage de Port Moody, de Burrard Inlet et du bras nord, y compris la baie Bedwell, jusqu'au point du départ."

Et attendu que le 13 août 1906 l'inscription de homestead a été accordée à William Arthur Berlsford pour le quart fractionnaire nord-ouest de la section 10, township 39, à l'ouest du méridien de la côte, et que ce terrain fait partie de la réserve établie par le dit arrêté en conseil du 5 janvier 1887, et que ce colon s'est complètement acquitté des obligations d'établissement et a droit à ses lettres patentes ;

Par conséquent, il plaît au Gouverner général en conseil, afin d'enlever tout doute quant au titre en raison de cet arrêté en conseil, de rescinder par ces présentes les dispositions du dit arrêté en conseil en tant qu'elles s'appliquent au quart de section ci-dessus mentionné.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 2e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre suppléant de l'Intérieur représente, le 5 septembre 1912, que M. Andrew Good a demandé un permis de couper des traverses de chemin de fer, des étançons de galeries de mine et du bois de chauffage dans le quart nord-est de la section 11, township 8, rang 6, à l'ouest du 5e méridien, situé dans la réserve forestière des Montagnes Rocheuses. On croyait lors de la demande que le terrain ci-dessus faisait partie des terres réservées au fonds des écoles, et le requérant fut avisé qu'un permis lui serait accordé d'après les règlements ordinaires régissant la vente du bois sur les terres fédérales. Mais il fut plus tard constaté que ce terrain ne faisait pas partie des terres scolaires, et l'autorisation d'accorder le permis fut nécessairement retirée.

Le Ministre ajoute qu'il a fait faire un examen du bois ci-dessus mentionné et qu'il constate que le feu en a tué ce qui donnerait approximativement 5,000 traverses de chemin de fer, 70,000 pieds linéaires d'étançons de mine et 200 cordes de bois de chauffage, et que ce bois devrait être abattu sans délai afin de pouvoir être utilisé avantageusement.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (*b*) de l'article 17 de la *Loi des réserves forestières fédérales* sanctionnée le 19 mai 1911, il soit autorisé à accorder un permis au dit Andrew Good de couper le bois sur le quart de section susdit sur paiement des droits conformément aux règlements régissant l'octroi de licences et de permis annuels de coupe de bois sur les terres fédérales, règlements approuvés par arrêté en conseil du 1er juillet 1898 et des arrêtés subséquents. La coupe sera sujette aux règlements concernant les réserves forestières.

Le comité soumet cette recommandation pour approbation.

LE Ministre suppléant de l'Intérieurre présente, le 8 octobre 1912, que M. Urbain Gladu a demandé la concession gratuite du lot n° 18, dans l'établissement de Flying Shot Lake, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des indiens.

La preuve a été faite que le requérant occupait ce terrain à la date de la conclusion du traité indien n° 8 à l'été de 1899 et, par conséquent, le ministre recommande qu'en vertu des dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales*, il soit autorisé à concéder gratuitement à M. PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre de l'Intérieur représente, le 15 octobre 1912, que M. W. E. Bailey, qui s'est inscrit le 26 septembre 1910, pour le homestead comprenant le quart nord-est de la section 18, township 32, rang 7, à l'ouest du 2e méridien, a souffert de blessures qui ont nécessité l'amputation près du corps de sa jambe gauche. Des certificats médicaux témoignant de ce fait, déposés au Ministère, déclarent qu'il serait extrêmement dangereux pour M. Bailey de demeurer sur son homestead.

Le Ministre ajoute que M. Bailey a résidé sur son homestead du mois de mai 1910 au mois de mai 1912, sauf le temps qu'il a passé à l'hôpital au cours de l'année 1911, et y a érigé une maison et une étable.

Le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales* il soit autorisé à exempter M. Bailey de toute autre obligation de résidence.

Le comité soumet cette recommandation pour approbation.

Mercredi, le 2e jour d'octobre 1912.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

LE Ministre suppléant de l'Intérieur fait rapport, le 16 septembre 1912, qu'en vertu des dispositions de la loi provinciale concernant le drainage et l'endiguement les propriétaires fonciers du district de Chilliwack-Sumas, par des pétitions publiées dans la *British Columbia Gazette* le 29 novembre 1906 et le 28 septembre 1905, ont élu un bureau de commissaires pour diriger le travail d'endiguement et de drainage dans le district de Chilliwack-Sumas dans la province de la Colombie-Britannique. Ces commissaires sont autorisés à faire, soit directement soit en les donnant à l'entreprise, des travaux de drainage et d'endiguement pour la protection et le desséchement du terrain mentionné dans les pétitions par lesquelles ils ont été élus. L'argent nécessaire à ces travaux doit être prélevé conformément à la dite loi au moyen d'une taxe prélevée sur les terres concernées. Le district de drainage et d'endiguement de Chilliwack-Sumas couvre une superficie d'environ 30,000 acres, comprenant à peu près les terres inondées par les eaux du lac Sumas ; ce district est situé dans la zone des chemins de fer, du côté sud de la rivière Fraser, quarante milles à l'est de Vancouver, et contient 12,120 acres de terres fédérales, y compris quelques 9000 acres du lit du lac Sumas.

Le Ministre ajoute ce qui suit :

Les commissaires ont demandé qu'il soit fait une convention entre le Ministre de l'Intérieur et eux-mêmes leur transférant les terres fédérales submergées dans le lac Sumas et autour de ce lac, comprenant approximativement 12,120 acres, lorsqu'ils auront réussi à mettre à exécution leur plan de dessèchement.

Les commissaires ont intéressé au projet la Compagnie L. M. Rice, à responsabilité limitée, compagnie constituée en corporation en vertu des statuts de l'Etat de Washington et enregistrée pour exercer dans la province de la Colombie-Britannique, et ont passé avec cette compagnie une convention pour l'exécution de certains travaux d'endiguement à la condition que le Ministre de l'Intérieur convienne avec les commissaires de leur transférer les terres fédérales submergées susdites dans le lac Sumas et autour de ce lac quand ils auront réussi à le dessécher.

Des plans, devis, etc., des travaux de desséchement projetés ont été déposés au Ministère de l'Intérieur, ainsi qu'une copie de la convention entre les commissaires et la Compagnie L. M. Rice, à responsabilité limitée.

Les terres demandées ont été inspectées par l'ingénieur en chef des levers hydrographiques de la zone des chemins de fer, qui a fait rapport que les terres fédérales du et autour du lac Sumas ne sont actuellement d'aucune utilité et ne conviennent pas à la colonisation telle que prévue par la loi des terres fédérales à cause de l'inondation continuelle de près de 9,000 acres du lit du lac Sumas et de l'inondation périodique d'environ 2,000 acres chaque été à l'époque des crues des rivières Fraser et Chilliwack. Outre les dites terres fédérales, il y a qui les avoisinent et les entourent 20,000 acres de terre appartenant à des particuliers et qui sont exposés aux inondations régulières ou périodiques à l'époque des crues, et dont la productivité est de ce fait grandement diminuée. Le desséchement de ces terres fédérales et privées serait d'un grand avantage pour la vallée de la rivière Fraser et la province de la Colombie-Britannique, non seulement à cause de la grande étendue de terres fédérales maintenant inutiles qu'on rendrait ainsi fertiles et productives, mais aussi à cause de l'augmentation de valeur et d'utilité d'une plus grande étendue encore de terres privées dont le danger constant d'inondation diminue la productivité. Depuis plusieurs années des ingénieurs éminents sont d'avis que le desséchement des terres susdites est possible aux points de vue pratique et économique, le coût total étant d'environ un million de dollars.

En vue de ces faits, le Ministre demande l'autorisation de consentir à une convention avec le Bureau des commissaires du district de drainage et d'endiguement de Chilliwack-Sumas leur transférant les terres inondées du lac Sumas et des environs, conformément au tableau annexé, aux conditions suivantes :

1. Les terres demandées seront parfaitement desséchées et rendues propres à l'exploitation agricole dans quatre ans de la date de la convention.

2. Les lettres patentes d'aucune de ces terres ne seront accordées avant que le Ministre de l'Intérieur ait constaté, par un rapport d'un ingénieur du Ministère, que toutes ces terres fédérales qui peuvent être desséchées l'ont bien été et sont propres à l'exploitation agricole, et que les travaux de desséchement ont résisté aux crues de l'été qui a suivi l'achèvement des travaux d'endiguement.

3. Au parachèvement des travaux d'endiguement les terres susdites seront vendues aux Commissaires au prix nominal d'un dollar.

4. Le Ministère n'assume aucune responsabilité quant à la manière et la méthode de desséchement, la prévoyance ou l'imprévoyance de la convention entre les commissaires et la Compagnie L. M. Rice, ou quant à la bonne inspection au cours des travaux, se réservant seulement le droit de décider si oui ou non les travaux de desséchement ont été parachevés avec succès.

Le comité soumet cette demande pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..................	$ 100 00

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionné dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

By the King,

A PROCLAMATION.

GEORGE R.I.

WHEREAS We are happily at Peace with all Sovereigns, Powers, and States :

And whereas a State of War unhappily exists between His Imperial Majesty The Sultan of Turkey and His Majesty the King of the Bulgarians ; between His Imperial Majesty The Sultan of Turkey and His Majesty the King of the Hellenes ; between His Imperial Majesty the Sultan of Turkey and His Majesty the King of Montenegro ; and between His Imperial Majesty the Sultan of Turkey and His Majesty the King of Servia ; and between their respective Subjects, and others inhabiting within their Countries, Territories, or Dominions :

And whereas We are on Terms of Friendship and amicable intercourse with each of these Powers, and with their several Subjects, and others inhabiting within their countries, Territories, or Dominions.

And whereas great numbers of Our Loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Powers, protected by the Faith of Treaties between Us and each of the aforesaid Powers :

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial Neutrality in the said State of War unhappily existing between the aforesaid Powers :

We, therefore, have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation :

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid War, and to abstain from violating or contravening either the Laws and Statutes of the Realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their peril :

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of the reign of Her late Majesty Queen Victoria, intituled "An Act to Regulate the conduct of Her Majesty's Subjects during the existence of Hostilities between Foreign States with which Her Majesty is at Peace," it is, among other things, declared and enacted as follows :—

"If any Person, without the License of Her Majesty, being a British Subject, quits or goes on board any Ship with a view of quitting Her Majesty's Dominions, with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State, or, whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to quit or to go on board any Ship with a view of quitting Her Majesty's Dominions with the like intent—

"He shall be guilty of an Offence against this Act and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted ; and Imprisonment if awarded, may be either with or without Hard Labour.

"If any Person induces any other Person to quit Her Majesty's Dominions or to embark on any Ship within Her Majesty's Dominions under a Misrepresentation or false Representation of the Service in which such Person is to be engaged, with the intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted ; and Imprisonment, if awarded, may be with or without Hard Labour.

"Such person shall be deemed to have committed an Offence against this Act, and the following Consequences shall ensue:

"(1) The Offender shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"(2) The Ship in respect of which any such Offence is committed, and her Equipment, shall be forfeited to Her Majesty;

"Provided that a Person building, causing to be built, or equipping a Ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such War as aforesaid, shall not be liable to any of the Penalties imposed by this Section in respect of such building or equipping if he satisfies the conditions following; (that is to say),—

"(1) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives Notice to the Secretary of State that he is so building, causing to be built, or equipping such Ship, and furnishes such Particulars of the Contract and of any matters relating to, or done, or to be done under the Contract as may be required by the Secretary of State;

"If any Person within the Dominions of Her Majesty, and without the License of Her Majesty—

"By adding to the number of the Guns, or by changing those on board for other Guns, or by the addition of any Equipment for War, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike Force of any Ship which at the time of her being within the Dominione of Her Majesty was a Ship in the Military or Naval Service of any Foreign State at War with any friendly State—

"Such Person shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the Discretion of the Court before which Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person, within the limits of Her Majesty's Dominions, and without the License of Her Majesty—

"(1.) Every Person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such Expedition, shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour;

And whereas by the said Act it is further provided that Ships built, commissioned, equipped, or despatched in contravention of the said Act may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or Chief Executive Authority is satisfied that there is a reasonable and probable cause for believing that a Ship within Our Dominions has been or is being built, commissioned, or equipped contrary to the said Act, and is about to be taken beyond the limits of such Dominions, or that a Ship is about to be despatched contrary to the Act, such Secretary of State or Chief Executive Authority shall have power to issue a warrant authorizing the seizure and search of such Ship and her detention until she has been either condemned or released by Process of Law. And whereas certain powers of seizure and detention are conferred by the said Act on certain Local Authorities;

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command that no Person or Persons whatsoever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon pain of the several Penalties by the said Statute imposed and of Our high Displeasure.

And We do hereby further warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each of the aforesaid Powers, their Subjects and Territories, and towards all Belligerents whatsoever with whom we are at peace, the Duties of Neutrality; and to respect in all and each of them the Exercise of Belligerent Rights.

And We hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume, in contempt of this Our Royal Proclamation, to do any acts in derogation of their Duty as Subjects of a Neutral Power in a War between other Powers, or in violation or contravention of the Law of Nations in that behalf, all Persons so offending will rightfully incur and be justly liable to the Penalties denounced by such Law.

And We do hereby give Notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the premises will do so at their peril, and of their own wrong; and that they will in no wise obtain any Protection from Us against such Penalties as aforesaid.

Given at Our Court at *Buckingham*, this twenty-first day of October, in the year of Our Lord one thousand nine hundred and twelve, and in the Third year of Our reign.

GOD save the KING.

THE Right Honourable Sir Edward Grey to the Lords Commissioners of the Admiralty*:—

FOREIGN OFFICE,
October 18, 1912.

MY LORDS,

His Majesty being fully determined to observe the duties of neutrality during the existing state of war between Turkey and Bulgaria; Turkey and Greece; Turkey and Montenegro; and Turkey and Servia; being, moreover, resolved to prevent, as far as possible, the use of His Majesty's harbours, ports, and coasts, and the waters within His Majesty's territorial jurisdiction, in aid of the warlike purposes of either belligerent, has commanded me to communicate to your Lordships, for your guidance, the following Rules, which are to be treated and enforced as His Majesty's orders and directions:—

Rule 1. During the continuance of the present state of war, all ships of war of either belligerent are prohibited from making use of any port or roadstead in the United Kingdom, the Isle of Man, or the Channel Islands, or in any of His Majesty's Colonies or foreign possessions or dependencies, or of any waters subject to the territorial jurisdiction of the British Crown, as a station or place of resort for any warlike purpose, or for the purpose of obtaining any facilities for warlike equipment; and no ship of war of either belligerent shall hereafter be permitted to leave any such port, roadstead, or waters from which any vessel of the other belligerent (whether the same shall be a ship of war or a merchant ship) shall have previously departed until after the expiration of at least twenty-four hours from the departure of such last-mentioned vessel beyond the territorial jurisdiction of His Majesty.

Rule 2. If there is now in any such port, roadstead, or waters subject to the territorial jurisdiction of the British Crown any ship of war of either belligerent, such ship of war shall leave such port, roadstead, or waters within such time not less than twenty-four hours as shall be reasonable, having regard to all the circumstances and the condition of such ship as to repairs, provisions, or things necessary for the subsistence of her crew; and if after the date hereof any ship of war of either belligerent shall enter any such port, roadstead, or waters, subject to the territorial jurisdiction of the British Crown, such ship shall depart and put to sea within twenty-four hours after her entrance into any such port, roadstead, or waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her crew, or repairs; in either of which cases the authorities of the port, or of the nearest port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of twenty-four hours, without permitting her to take in supplies beyond what may be necessary for her immediate use; and no such vessel which may have been allowed to remain within British waters for the purpose of repair shall continue in any such port, roadstead, or waters, for a longer period than twenty-four hours after her necessary repairs shall have been completed. Provided, nevertheless, that in all cases in which there shall be any vessels (whether ships of war or merchant ships) of both the said belligerent parties in the same port, roadstead, or waters within the territorial jurisdiction of His Majesty, there shall be an interval of not less than twenty-four hours between the departure therefrom of any such vessel (whether a ship of war or merchant ship) of the one belligerent, and the subsequent departure therefrom of any ship of war of the other belligerent; and the time hereby limited for the departure of such ships of war respectively shall always, in case of necessity, be extended so far as may be requisite for giving effect to this proviso, but no further or otherwise.

Rule 3. No ship of war of either belligerent shall hereafter be permitted, while in any such port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, to take in any supplies, except provisions and such other things as may be requisite for the subsistence of her crew, and except so much coal only as may be sufficient to carry such vessel to the nearest port of her own country, or to some nearer named neutral destination, and no coal shall again be supplied to any such ship of war in the same or any other port, roadstead, or waters subject to the territorial jurisdiction of His Majesty, without special permission, until after the expiration of three months from the time when such coal may have been last supplied to her within British waters as aforesaid.

Rule 4. Armed ships of either belligerent are interdicted from carrying prizes made by them into the ports, harbours, roadsteads, or waters of the United Kingdom, the Isle of Man, the Channel Islands, or any of His Majesty's Colonies or possessions abroad.

The Governor or other chief authority of each of His Majesty's territories or possessions beyond the seas shall forthwith notify and publish the above Rules.

I have, &c.,

SIR,—With reference to my despatch No. 733 of the 24th instant, I have the honour to transmit to Your Royal Highness for the information of your Ministers, the enclosed copies of a Notice to Shipbuilders and others in the United Kingdom advising them as to their position under the Foreign Enlistment Act, 1870, during the war between Turkey and Greece, Bulgaria, Servia and Montenegro.

FOREIGN ENLISTMENT ACT, 1870.

NOTICE TO SHIPBUILDERS AND OTHERS.

WITH reference to the war now in progress between Turkey and Greece, Bulgaria, Servia and Montenegro, the attention of shipbuilders and others is called to the provisions of the Foreign Enlistment Act, 1870 (33 and 34 Vict., cap. 90), sections 8, 9, and 23, which indicate their duties and liabilities in the matter of building and equipping ships which are intended to, or may, be used in the military or naval service of belligerents.

Section 8 provides that any person within His Majesty's Dominions who without Royal License builds, commissions, equips, or despatches any ship with intent or knowledge or having reasonable cause to believe that the same will be employed in the military or naval service of the belligerents, shall be liable to fine and imprisonment and the forfeiture of the ship and equipment.

Any person building or equipping such a ship in pursuance of a contract made before the commencement of the war, shall not be liable to these penalties if—

(i) Forthwith upon a proclamation of neutrality being issued by His Majesty he gives notice to the Secretary of State that he is so building, causing to be built, or equipping such ship, and furnishes such particulars of the contract and of any matters relating to, or done, or to be done under the contract as may be required by the Secretary of State ;

(ii) He gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for ensuring that such ship shall not be despatched, delivered, or removed without the licence of His Majesty until the termination of such war as aforesaid.

In any case in which overtures are made for the purchase or equipment of such ships by persons who do not satisfactorily disclose the ultimate destination of the ships, it would be the duty of all persons having knowledge of the fact to give notice to the Home Secretary in order that he might take the steps which he is empowered by the 23rd section of the said Act to take so as to ensure that such vessels should not be employed in contravention of the said Act.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 29th October, 1912, that application has been made by Mr. Walter Milburn to purchase Lot numbered 7, in Block numbered 6, of a plan of subdivision of East Heights subdivision at Athabaska Landing, in the Province of Alberta, by virtue of occupation of the land prior to survey.

The Minister recommends, as evidence has been submitted, showing the applicant to have placed valuable improvements on the land and to have been in residence thereon for over two years, that he be authorized to sell the said lot shown coloured pink on the plan attached and containing one acre, more or less, to Mr. Milburn, at a nominal rate of $5.00

The Committee advise that the requisite authority be granted.

RODOLPHE BOUDREAU,
20-4 Clerk of the Privy Council.

[3058]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS application has been made, on behalf of the trustees of the Evangelical Lutheran Church of Frog Lake, in the Province of Alberta, for a grant of ten acres of land comprised in the southwest corner of the N.W.¼ of Section 10, Township 56, Range 4, West of the Fourth Meridian, for church purposes ;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration, and the land in question is available according to the records of the Department of the Interior,—

Therefore the Governor General in Council, under the provisions of sub-section (*d*) of section 76 of The Dominion Lands Act, is pleased to set aside and appropriate for church purposes ten acres of land comprised in the southwest corner of the N.W. ¼ of Section 10, Township 56, Range 4, west of the Fourth Meridian, and to authorize a grant thereof to the trustees of the Evangelical Lutheran Church of Frog Lake, in the Province of Alberta, for the said purposes.

RODOLPHE BOUDREAU,
20-4 Clerk of the Privy Council.

[3078]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 14th October, 1912, it is represented to the Department of the Interior that, owing apparently to some mis-apprehension as to the title to Section 11, in Township 9, Range 26, West of the 4th Meridian, the authorities of the Town of Macleod have erected expensive buildings and established a Water System on the portion of Section 11, Township 9, Range 26 West of the 4th Meridian, adjoining that Town ;

That upon the Department of the Interior being informed of this, it was at first proposed to surrender Section 11 in question, and to select in lieu for the School Lands Endowment another section of as nearly as possible the same value, and an inspection was made for that purpose of the undisposed of and available Dominion Lands in that part of the Province ;

That it was impossible, however, to find a section of anything like the same value as Section 11, which, owing to the fact that it is adjacent to the Town of Macleod, has a considerable value, and upon the question of an exchange being submitted to the Government of Alberta, that Government entered a strong protest against the proposed surrender of the School Section being carried out unless another section of equal value could be selected in lieu of it for the School Lands Endowment, and suggested that the best course would be to offer this land at public auction so as to afford the authorities of Macleod an opportunity of acquiring it.

As the Minister concurs in this suggestion, an inspection was ordered of the land required by the Town of Macleod, such inspection being made by the superintendent of school lands, who valued the land at $175 per acre, and reported that the Town of Macleod has constructed on the land inspected by him buildings consisting of a power house and exhibition building, and has also established water standpipes, water intake pipes, and distributing water mains of a total value of approximately $197,000.

The Minister observes that he is of the opinion that it is in the public interest that the Town of Macleod should be given an opportunity of acquiring the land necessary in connection with the buildings and water system established by the Town.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction at an early date at the Town of Macleod the parcels of land required by the Town, and which are shown, coloured red, on the plan herewith, at an upset price of $175 per acre, the terms and conditions of sale to be in accordance with the provisions of The Dominion Lands Act in that regard.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
20-4 Clerk of the Privy Council.

And whereas these lands have been examined by an officer of the Department of the Interior, and a report made to the effect that they are no longer required for the purpose for which they were set aside,—

Thereforefore the Governor General is pleased to order and it is hereby ordered, that the said lands be withdrawn from reserve.

And whereas through a misunderstanding, the parcel of land so granted was described as above ;

And whereas it has since been found that the parcel, by actual survey, does not correspond with that actually granted ;

And whereas the parcel as surveyed is available according to the records of the Department of the Interior,—

Therefore the Governor General in Council is pleased to order that the description in the said Order in Council of the 6th day of June, 1912, shall be and the same is hereby amended to read as follows :—

Therefore the Governor General in Council, under the provisions of sub-section (*d*) of section 76 of The Dominion Lands Act, is pleased to set aside and appropriate for church and cemetery purposes one acre of land comprised each in the southeast corner of the N.E. ¼ and the northeast corner of the S.E. ¼ of Section 21, Township 32, Range 17, west of the Fourth Meridian, and to authorize a grant thereof to the trustees of the Evangelical Lutheran St. Mark's Congregation at Victor, in the Province of Alberta, for the said purposes.

RODOLPHE BOUDREAU,
19-4 Clerk of the Privy Council.

[2868]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 22nd day of October, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Acting Minister of the Interior, under date the 7th October, 1912, states that application has been made to the Department of the Interior by the Blue Mountains Refractories Company, Limited, of the City of Vancouver in the Province of British Columbia, for permission to purchase the West half of Section 1, the whole of Sections 2 and 3 and the easterly fifty-five chains of the South half of Section 4, in Township 4, Range 4 west of the 7th Meridian, in the said Province, for the purpose of manufacturing brick and other products of clay; also for permission to acquire the fractional South West quarter of Section 2, Township 7, Range 26 West of the 6th Meridian, containing an area of 144.75 acres, upon which to erect a glazing plant in connection with the manufacture of the clay products; together with a right of way along and through Sections 32, 33 and 34, in Township 3, Range 4 West of the 7th Meridian, in the said Province, leading down to the Lillooet River, for the purpose of communication between that river and the tract first above described.

The Minister observes that an inspection of the lands applied for has been made by the Crown Timber Agent at New Westminster, who reported that they contain very little merchantable timber; that such timber as there is on the land is not more than would be required to carry on the business which it is proposed to establish; and that while the lands in question have in the past been examined by timber cruisers, no applications have been made for licenses to cut timber thereon. It would appear also that the lands are precipitous and of little value for agricultural purposes.

The Minister is of the opinion—as the applicants express their willingness to establish an industry of some magnitude on these lands, which would otherwise seem to be of little value—that it would be in the public interest to favourably consider such application, and he recommends that he be authorized to reserve for the applicants the lands for which they have applied and to dispose of the same to them for the purpose mentioned at the rate of $1.00 an acre, upon their complying with the following conditions:—

1. That the applicants shall erect upon the property first above described a plant of a capacity of at least fifty thousand bricks per week;
2. That such plant shall be in operation, and shall have actually produced not less than one million bricks, within three years from the date upon which the sale may be authorized;
3. The applicants shall, within three years from the date upon which the sale may be authorized, erect upon the fractional south-west quarter of Section 2, Township 7, range 26 west of the 6th Meridian, a glazing plant of a capacity and design suitable for the purpose and satisfactory to the Minister of the Interior, and shall commence actual operations in treating the clay products in such plant within the same period;
4. That until the above conditions have been complied with, and the patent for the lands in question issued, the applicants shall pay to the Crown the cost which may be incurred in properly guarding the merchantable timber in the vicinity from fire which may result from their operations;
5. That failure on the part of the applicants to comply with any of the conditions herein contained shall be followed by cancellation of the reservation and sale, and the forfeiture to the Crown of the amounts which may have been paid;
6. That the reservation and sale shall be subject to the rights of the Provincial Government of British Columbia in respect of the minerals which may be found to exist on or under the land;
7. That as soon as satisfactory evidence is furnished to show that the conditions herein contained have been fully complied with, the purchase price at the rate of $1.00 an acre paid, and the land surveyed, a patent be issued in favour of the applicants for the lands in question, reserving thereout and therefrom the mines and minerals and also the coal which may be found to exist on or under the land.

The Minister further states that the lands above described were previously allotted, under similar conditions to those herein contained, to one George H. Turner, by authority of an Order in Council dated the 27th of March, 1908; that Mr. Turner paid to the Department of the Interior the sum of $1.00 per acre for the said lands before it was necessary for him to do so in accordance with the terms of the above Order in Council, and that Mr. Turner has requested the Department to allow the payment made by him for the lands in question to be applied on account of the purchase price by the present applicants.

The Minister, in view of all the circumstances, further recommends that he be authorized to apply to the payment of the lands in question the amount paid by Mr. Turner on account of such purchase price.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
19-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of October, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 16th September, 1912, that the Ashcroft Water Electric and Improvement Company, of Ashcroft, B.C., has applied to purchase on irrigation conditions certain lands in Townships 20 and 21, Range 24, west of the Sixth Meridian, comprising an aggregate area of 3010·5 acres, more or less, and being the lands set out in the schedule hereto attached, and to report;

That the company has submitted to the Department of the Interior a comprehensive irrigation and storage project, involving the storage of water in three lakes in provincial territory, north of the railway belt; the said water to be released in to the Bonaparte River and diverted at a point about twelve miles from the confluence of the Bonaparte and Thompson Rivers, and carried in a high line canal to the Dominion lands applied for;

That the lands applied for have been inspected by the Agent of Dominion Lands, Kamloops, who reported that without the aid of irrigation the lands are valueless; that they have also been inspected by the Chief Engineer of the Railway Belt Hydrographic Survey, who reported that they are of an arid class, unsuited for homesteading or for agriculture without irrigation; that the successful development of these lands would be in the best interest of the district and country at large; that the intention of the Ashcroft Water Electric and Improvement Company is to develop these arid lands by a large, modern and feasible irrigation system; and, that the water supply of the Bonaparte River seems to be sufficient for the irrigation needs of the said company.

The Minister therefore, recommends that, in view of the above favourable reports, he be authorized to sell the Ashcroft Water Electric and Improvement Company the available portions of the Dominion lands set out in the schedule hereto attached, on the following conditions:—

1. That the price of the land be $1.00 per acre; a first payment of 25 cents per acre to be made upon notification of sale, and the balance of 75 cents per acre to be payable upon the completion of the irrigation scheme as set out in paragraphs "5" and "6" hereunder.
2. That the Company shall obtain from the British Columbia Authorities the necessary water rights for the said lands.
3. That the use, diversion and storing of water; the construction and maintenance of all irrigation works, dams, intakes, flumes, ditches, etc., shall be in accordance with the provisions of the British Columbia Water Act, 1909.
4. That the company shall construct an adequate and satisfactory irrigation system for the lands applied for, from the Bonaparte River, within three years.
5. That 50% of the irrigable portions of the said lands shall be irrigated and cultivated within three years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
6. That all the remaining irrigable portions of the said lands shall be irrigated and cultivated within five years, when the lands so irrigated will be patented upon the payment of 75 cents per acre.
7. That no patent shall issue for any of the lands except upon their successful irrigation and cultivation, to the satisfaction of the Minister of the Interior.
8. That the company's interest in the said Dominion lands shall not be transferred except with the knowledge and consent of the Minister of the Interior.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of October, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS numerous applications have been received for the leasing of School Lands for fire-clay purposes, and the Minister of the Interior is of the opinion that it would be in the public interest, as well as in that of the School Lands Endowment, to issue leases of School Lands for the purpose mentioned,—

The Governor General in Council is pleased to order as follows :—

Leases of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta, for the purpose of extracting fire-clay therefrom, may be issued under and in accordance with the following Regulations :

REGULATIONS for the leasing and administration of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta for the purpose of extracting Fire-clay therefrom.

'Minister' shall mean the Minister of the Interior.

'Fire-clay location' shall mean a tract of School Lands containing fire-clay.

'Year' shall mean a period of twelve calendar months.

'School Lands' shall mean Sections 11 and 29, or lands that have been selected and set apart in lieu of either of these sections under the provisions of The Dominion Lands Act.

1. School Lands containing fire-clay in the Provinces of Manitoba, Saskatchewan and Alberta may be leased by the Minister at an annual rental of $1.00 per acre, payable yearly in advance, for the purpose of extracting fire-clay therefrom.

Provided that no lease for a fire-clay location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by the lease, or any exclusive right or interest or other property in, or any exclusive right or privilege with respect to any lake, river, spring, stream or other body of water within or bordering on or passing through the land covered by the lease ;

And provided further that these Regulations shall not apply to School Lands comprised within an incorporated city, town, or village, unless otherwise specially provided by the Governor in Council.

2. The term of the lease shall be twenty-one years, renewable for a further period of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease he has complied fully with the terms of such lease, and with the provisions and regulations regarding the dis-

posal and operation of fire-clay locations, which may have been made from time to time by the Governor in Council.

3. The maximum area of a fire-clay location shall be 40 acres, more or less, and no person shall be allowed to locate more than one location.

Provided that a person who has been granted a lease of a location, and who subsequently abandons or assigns the same, may, after the expiration of twelve months from the date of the said lease, be permitted to make another location.

Provided further that such right of re-location shall not be granted unless all payments on account of rent, or other liability to the Department, due by such person, have been fully made, up to the date of the registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

4. The location applied for shall consist of a legal subdivision, or part of a legal subdivision:

Provided that parts of two adjoining legal subdivisions may be included in a fire-clay location, but the whole area shall not exceed one-half mile in its greatest dimension, nor shall the length exceed twice the breadth.

5. Application for a location shall be filed by the applicant in person with the Agent of Dominion Lands for the district in which the location is situated.

The application shall contain a full description by legal subdivision, section, township, range and meridian, of the land applied for and shall be accompanied by a declaration from the applicant to the effect that the land comprised within the location contains fire-clay in merchantable quantities.

6. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister of the Interior to do so, and shall take out or remove from such location the quantity of fire-clay specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of fire-clay which the lessee is required to extract from such location, which quantity may be increased from time to time upon thirty days notice to that effect being given to the lessee.

In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not taken out during each year, the lease shall be subject to cancellation in the discretion of the Minister.

7. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

8. The boundaries beneath the surface of fire-clay locations shall be the vertical planes or lines in which their surface boundaries lie.

9. The lease shall be in such form as may be determined by the Minister of the Interior, in accordance with the provisions of these regulations.

10. A fee of $5 shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

11. The applicant shall be given a period of thirty days from the date of the receipt of his application within which to pay to the agent of Dominion Lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar ($1.00) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued, and shall bear date from the day upon which the application was received by the agent.

If the rental is not paid within the time specified, the application shall absolutely lapse, and the right applied for shall become available for other disposition.

12. If during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar ($1.00) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all rights granted thereunder.

13. A person operating a fire-clay location shall furnish the agent of Dominion Lands for the district in which the location is situated, with sworn returns every six months, or at such times as the Minister may direct, of the quantity of fire-clay taken from the location.

14. Every lessee of fire-clay rights which are not being operated shall furnish the agent of Dominion Lands with a sworn statement to that effect at least once in each year.

15. In case the surface rights of a fire-clay location are covered by a timber license, grazing permit, petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon except the permission of the Minister is first had and obtained and such permission shall be given subject to such conditions for the protection of the rights of such lessee or licensee as it may be considered necessary to impose.

16. In case the mineral rights in any land comprised within a fire-clay location are found to have been disposed of by the Crown and the lessee of such mineral rights cannot make any arrangement with the lessee of the fire-clay location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration.

Upon receiving such permission in writing, it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the fire-clay location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the fire-clay location, owner or occupant shall be entitled.

The notice mentioned in this section shall be according to a form to be obtained upon application to the agent of Dominion lands for the district in which the lands in question lie, and shall, when practicable, be personally served on such lessee of the fire-clay location, or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served, by leaving it at, or sending it by registered mail to the last known place of abode of the lessee of the fire-clay location, agent or occupant, and by posting a copy in the office of the agent of Dominion lands for the district in which the land is situated. Such notice shall be served if the lessee of the fire-clay location or his agent resides in the district in which the land is situated, ten days, if out of the district, and if in the province or territory, twenty days, and if out of the province or territory, thirty days, before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the fire-clay location, or his agent, or occupant, refuses or declines to appoint an arbitrator or when, for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the agent of Dominion lands for the district in which the lands in question lie, shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the fire-clay location, his agent, or occupant, or that such lessee, agent or occupant, wilfully evades the service of such notice, or cannot be found, and that reasonable efforts have been made to effect such service and that the notice was left at the last place of abode of such lessee, agent or occupant, appoint an arbitrator on his behalf.

17. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district

in which the land in question is situated, shall forthwith select such third arbitrator.

18. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the fire-clay location or occupant shall be entitled.

19. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

20. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated, within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

21. The arbitrators shall be entitled to be paid a per diem allowance of $5.00 together with their necessary travelling and living expenses while engaged in the arbitration, and the costs of such arbitration shall be borne by the lessee of the mineral rights.

17–4 Clerk of the Privy Council.
